THIS WEEK'S MATCH DAY SPONSOR

Week 4 · 2026 Winter Season

A MESSAGE FROM YOUR PRESIDENT

Hello Randwick Family,

Last weekend was a beautiful reminder of exactly who we are as a community. Purple ribbons everywhere, cheering at the end of every game, respect on the grounds from one sideline to the other — it was heartwarming to watch it all unfold. To every player, coach, manager, umpire, parent and supporter who got behind our cause and showed up for one another, thank you. This is what Randwick Netball looks like at its very best.

Let's keep that spirit going.

LET'S KEEP THE TEAM SPIRIT GOING

To our wonderful Junior teams — let's continue what we've been doing so beautifully:

- **Three cheers for our opponents**
- **Three cheers for our wonderful umpires**
- **And one cheer for us, at the end of every game**

Let's celebrate the game — no matter the result. Win, lose or draw, the way we play and the way we treat each other is what people will remember.

To our Seniors — please make sure you shake your opponents' hands after every game. A simple handshake at full time says everything about good sportsmanship and the kind of association we are. Our game is the most wonderful way to bring us all together, and I am so grateful that we show this community spirit week in and week out.

THIS WEEK — WELCOMING THE SALVATION ARMY

This week we are very proud to welcome The Salvation Army to Heffron Park. They will be on the grounds collecting for the Red Shield Appeal — a cause that does extraordinary work supporting Australians doing it tough.

More than ever, they need our help — and I know our community will give the way we always give.

Please welcome the Salvation Army volunteers warmly when you see them, drop in what you can, and have a chat. A small contribution from each of us adds up to something really meaningful — and that's the Randwick way.

OUR MATCH DAY SPONSOR THIS WEEK

A huge thank you to Kingsford Locksmiths & Security, who are proudly sponsoring this week's round at Heffron Park.

Kingsford Locksmiths & Security are a trusted local business serving the Eastern Suburbs with locksmithing, security and key services. Please show them the same support they're showing us — when you next need a locksmith or a security upgrade at home or work, please reach out to the team at Kingsford. Any questions about their services can be directed straight to Kingsford Locksmiths & Security.

HISTORY IN THE MAKING — OUR VERY FIRST HOME GAME

Next week is going to be another first for Randwick — and it's a big one.

For the very first time in the ten-year history of Premier League, the UTS Randwick Sparks will play a home game. Take a moment to let that sink in. After a decade of travelling to other associations' courts, our Premier League girls will finally run out at a home venue, with their home crowd behind them.

We will host this very special night at Hoops Centre, Driver Avenue, Moore Park.

And we're making the most of every moment. Our representative girls will receive their 2026 representative patches on court, presented to them by our Sparks players — the very women they look up to, the women whose footsteps they are following. From rep player to Premier League star, in one continuous Randwick line. That is what pathway looks like.

Every player, every parent, every coach, every supporter — please come and be part of history. Bring your voices. Bring your families. Bring the people who have been with us through every season. This is the kind of night that gets talked about for years, and you'll want to say you were there.

Pegasus rising. Sparks flying. Randwick proud.

SEE YOU AT HEFFRON THIS WEEKEND

Bring your team spirit, bring your loose change for the Red Shield Appeal, and bring a smile for the umpires.

Three cheers for our opponents. Three cheers for our umpires. One cheer for us. And a handshake at the end.

Kindness Wins.

Jen Morrissey
