2024 EXECUTIVE COMMITTEE

The RNA Executive Committee put in another year of commitment and effort during the off-season, organising the summer competition in the off season, setting up Play HQ registrations, and preparing the clubhouse and facilities for the upcoming season, all while completing the representative selection process. Throughout the competition months, they continued to dedicate substantial time and energy to deliver all-age competitions for our thousands of players each Saturday. Despite challenging weather conditions, the Clubs and the Executive worked together to ensure another successful season. It was a joyful occasion to witness the NetSetGo carnival on Final day. Our experienced players once again showcased their skill and athleticism during the grand finals, it was truly special. It reminded us all of what a fantastic sport netball is and why we are so passionate about it.

PRESIDENTS REPORT

It's been an exceptional season, and I am filled with pride as I highlight the remarkable achievements of Randwick Netball Association. This year, we have not only solidified our standing as the fifth largest association in NSW but have also seen grassroots netball flourish across all levels.

Our representative teams have had a standout year. Our 13-year Representative Team secured first place at the Junior State Titles, while our 15s earned an impressive second place at the Senior State Titles—both of which speak to the dedication and talent within our ranks.

Special congratulations go to our Under 23 Premier League team, who clinched first place. A true testament to their hard work and commitment. Our Metro teams also shone brightly, with three out of four teams reaching the Grand Finals, and Team 2 and Team $emerging as division premiers.

A highlight of this season was the introduction of our Aged Trophies, named in honour of our inspiring Australian Diamond players. The joy on Grand Final Day was palpable as winning teams proudly placed their trophies in our Trophy Cabinet, marking a true celebration of our clubs and the dedication of our players.

We are also proud of our efforts to give back to the community. This year, we raised an impressive $5,465.00 for the Women's Hospital through our Annual "Play Like a Girl" day. Additionally, for the seventh consecutive year, we were the highest fundraising association in NSW for the Kids Cancer Project, a cause our community holds dear.

I am particularly proud of our Men's team, which continues to excel in all competitions. Their achievements contribute to the growing inclusivity and diversity within our sport, demonstrating that netball is a game for everyone.

This season also saw a major milestone for our young umpires, with many of them earning their National Badge for Umpiring. Their dedication to officiating and their passion for the game are truly commendable.

A heartfelt thank you to all our club officials. Without your tireless efforts, the 2024 competition would not have been possible. Despite several cancellations due to weather, we celebrated an outstanding and successful year, showcasing the resilience and unity of our community.

A special mention goes to Emma Ryan, the recipient of the 2024 Presidents Medal. Her remarkable bravery in saving the life of a 15-year-old girl highlighted the strength, character, and solidarity that define our association.

Looking ahead, we are excited about the construction of our new outdoor stadium, which promises to further enhance our facilities and support the continued growth of netball in our region.

As we reflect on this season, it's not just about the victories and statistics. It's about the countless hours of practice, the sweat, the tears, the unwavering support of families and friends, and the commitment of our coaches and staff.

Thank you to everyone who has contributed to this successful season. Your dedication, passion, and support have been invaluable. Let's continue to build on this momentum and strive for even greater heights in 2025.

Finally, I'd like to express my heartfelt gratitude to the executive committee for your unwavering dedication and hard work. Your commitment to excellence and remarkable teamwork have been instrumental in our success this year. Together, we have navigated challenges and achieved our goals. Thank you for your tireless efforts and support!

Jenny

The **Randwick Netball Association** has seen remarkable year-on-year growth in its membership, reflecting the ongoing success and popularity of netball in our area. Programs like **NetSetGO** continue to thrive, introducing young players to the sport and fostering a lifelong love of netball. We are proud to witness continual growth in the number of clubs and schools involved, with netball firmly positioned as the highest-participation team sport in New South Wales, especially here in the Eastern Suburbs. Our vision is to maintain this momentum by ensuring netball remains the sport of choice for people of all ages and abilities. To achieve this, we are committed to offering a first-class competition experience for all levels, from beginners to elite athletes. We provide representative opportunities, elite pathways for those pursuing higher-level competition, and quality facilities to support player development.

Community sport like netball brings significant benefits. It fosters social connection, promotes physical and mental well-being, and strengthens community bonds. For many families, netball is more than just a game—it's a chance to be part of something bigger, creating friendships, learning teamwork, and staying active. As participation rates rise, so too does the sense of belonging and camaraderie that local netball provides.

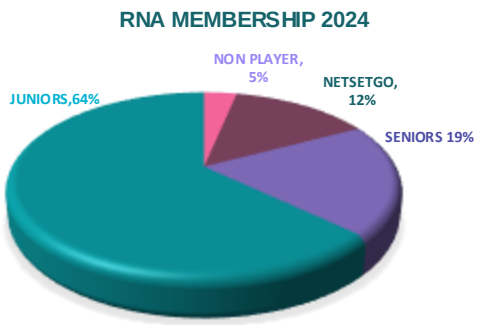

Netball NSW, which currently has over **115,000** members across the state, continues to grow both on and off the court.

At **Heffron Park**, our home facilities continue to improve, attracting not only players but growing numbers of spectators. The **Saturday competition** now draws over 4,100 spectators each week, creating a vibrant community atmosphere. The high standard of play, combined with features like top-notch barista coffee and a buzzing BBQ area, makes it a popular destination for families and netball enthusiasts alike.

One of the highlights of our season is the **Summer League competition**, which has shown our largest registration to date, with over 90 teams competing on Wednesday evenings. This event has been a major success, further demonstrating the growing enthusiasm for netball within our community.

As netball continues to grow, we remain dedicated to nurturing talent, providing pathways to elite performance, and ensuring that netball remains an integral part of our local sporting landscape. Our goal is to keep offering opportunities for all players—whether they're just starting or aiming for representative honours—while continuing to foster the sense of community that makes Randwick Netball Association so special.

GROUND IMPROVEMENTS

Our community extends sincere thanks to Randwick City Council for their unwavering support of women's sport, particularly netball. Their commitment has been crucial in improving our facilities and creating a thriving environment for players of all ages.

The Heffron Netball Centre is becoming one of NSW's top complexes, featuring 35 outdoor courts that support both modified(NetSetGo) and competitive play. Several key developments, made possible through the council's support, include:

- The construction of an outdoor stadium with seven undercover courts, allowing games and training to continue in all weather conditions.
- The addition of storage containers and future plans for a storage and toilet block to improve amenities and operational efficiency.
- New water stations to ensure player hydration during games and training.
- Plans for service recognition plaques for outstanding contributions from our members, to our association and the 'Walk of Fame' honouring our Australian Diamonds. These initiatives inspire our community and celebrate our achievements
- Ongoing court maintenance to ensure safety and optimal playing conditions.
- The installation of flags in the car park, reinforcing our identity as the ‘Home of Netball.’

Randwick Council’s support is not only enhancing facilities but also empowering future generations of players. We look forward to continuing this partnership to further elevate netball and women’s sports in our community.

BONDI PHOENIX It was a very successful year for our 11 Pink team, who won their Division 5 Grand Final! Our Inters Pink team also did brilliantly to reach their Div 6 GF but were pipped to the championship by St Caths. Special mention to Coach Fiona for getting both teams to Finals. For other teams, it was a year of consolidating previous successes and working hard to get back to Finals success next year. Net Set Go teams showed great progress with 9 Pink being undefeated all season.
The club also introduced more assistant coaches and new umpires to begin their netball journey off the court! Look out 2025!

BONDI UNITED had two teams this year. Under 14's Div 3 and Intermediate 5. Both teams had great seasons, even though there were many cancelled games which meant lots of half games.
The Intermediate team made it to the Final but unfortunately were beaten which knocked them out of the competition. The Under 14's Div 3 made it to the Grand Final and had a great game but were beaten by 3 goals in the last minutes of the game…..Thank you Randwick for another great year.

BOTANY THUNDER are a one team club and we are happy and proud of what we achieved this season. Our umpire attended senior State Titles and, umpired for 2 associations for the duration of the winter competitions. He continues to umpire in social competitions weekly.
We trained hard every week and our commitment was reflected on court. We celebrated every win and steadily made it to finals and ultimately won the GF.
Perhaps the biggest win was the lasting friendships and support of each other that has come about from playing this great game called netball. Players from all walks of life with much diversity came together to play netball but found much more. This team sport provided acceptance, support, and encouragement to each other on and off the court.

This season **ST CATHERINE'S** school had a successful netball season for players, coaches and umpires. We ended up with six Grand finalist teams and ten finalists which is an amazing achievement for our program. We had a few new coaches this season who were fantastic, learning off the experienced coaches and becoming really invested in their teams. Our umpire secretary led over forty umpires at the school in the Umpire program, resulting in many being able to Umpire in Saturday's RNA season and two umpires receiving their C Badge. Our players have benefited hugely from the impressive organisation and passion that the RNA association provides, we're very excited for next season!

COOGEE had 28 teams entered in the competition in 2024 with 3 junior and 2 senior teams playing on grand final day.
Our 15 Whites were GF winners this year, backing up from their GF win in 2023, a great effort.
Another great achievement for 2 of our Under 13 Pinks who made the Under 12's RNA Rep side.
We had many new umpires being mentored this year, with one umpire obtaining their C Badge.
We had many new teams and many new coaches who all contributed towards another successful netball season.
And thanks to RNA who held it together through a very wet first half.

2024 represented an important year of firsts for **DOUBLE BAY DIAMONDS**: entering 50 teams, welcoming a male player, umpiring at state titles and celebrating our first-ever A1 win. Double Bay Diamonds had 16 teams playing in Division 1, many playing above their age group. We are proud of our players, coaches and umpires for their great sportwomanship, 12 teams in the grand finals and 7 grand final winners.
We also had several umpires either badged or progressing to the pathway program for National C & B. A record number of our players represented the Association from Junior Reps through to Premier League, as well as Freddie Schneideman signing with the Swifts (TP), selection in the Australian U21s & MVP at Nationals. We thank the Association for their support, particularly for Gracie in her time of need.

In 2024 we have seen significant growth at The **JUNIORS NETBALL CLUB**, this has been our most successful season! 161 players registered, 16 teams! 6 teams made semi-finals in the winter competition, with 3 teams in the grand final, our 11yrs Division 4 runners up, 13yrs Division 4 and Inters Division 1 winners! We have successfully mentored 2 of our junior umpires. 6 players represented RNA in the 13yrs & 14yrs Rep Teams. We have continued to support grass roots netball and had a 13yrs team attend the Koori Gala Day at Mt Druitt winning the competition!!

KAMBALA :This year is our 8th year entering teams into the RNA competition. It has been our most successful year as far as participation with 18 teams entered. We introduced the Senior A dress this season which has been something we have worked towards for the past few seasons. We won 15 Div 2 and were runners up in the Inters Div 1 Grand Final. Whilst we didn't make as many finals this season, our teams thoroughly enjoyed season 2024 and can't wait for 2025!

KINCOPPAL ROSE BAY:At the end of the RNA netball season six KRB teams played in the grand finals; with the 15s becoming premiers. What incredible spirit, teamwork and commitment throughout the season to reach this point. Thank you to the many umpires, coaches and parents who manage teams and well done to all the girls involved. Nine KRB girls made the RNA representative and development teams. Congratulations to 13s State Champion players Ruby Daniel & Sadie Eisenhauer, Allegra McDonald signed as a premier league player and Milla Hall selected for Sydney Academy.

MACCABI NETBALL CLUB had a great year on and off the courts in 2024. Membership increased by 40 percent and we had 25 teams take the courts each week, including 7 NSG teams. Over half our teams made the finals series and 3 teams won their divisions. A strong focus on developing our umpires, 13 new umpires stepped up this year and will continue to hone their skills in 2025. We are proud to be associated with Randwick Netball Association and look forward to next season.

Established in 2018 by Ann Trivas and Judy Floyd, following many years elsewhere in netball**, MAROUBRA MERMAIDS** are a small friendly social club that attracts groups of friends wishing to play together. That does not mean we aren't competitive! Half our teams this year made finals with one championship winner (U12 div2) and 2 runners up. During winter 2024 one of our umpires achieved their C badge and we welcomed 3 new coaches. If you love our uniform (diverse and inclusive options) and want to have fun become a mermaid!

MARRICKVILLE RSL ALL STARS (MRSL) had a successful year in 2024 with six teams winning their grade/division Team 2 – A3, Team 3 – B1, Team 18 – 11's Div 01, Team 24 – 10's Div 02 (who versed our other All Stars 10s Div 02 Team 23), Team 25 -10's Div 04 and Team 26 – 10's Team 06. Overall, we had 17 teams through to the semis. We successfully ran 3 weeks of fundamental skill sessions leading into the semifinals for our 10 year old players, so it was particularly pleasing all of our 10s team (6) made it through to the semis.
We were well represented with the Association's representative teams:

- Metro - 7 players / 2 coaches
- Senior State Titles - 3 players / 1 coach
- Junior State Titles – 4 players
- 11s Development – 5 players

MRSL continued their mentoring program for our junior umpires.
We had 8 new coaches this season, four attaining their foundation and one Development certificate, one successfully was re-accredited with his Development certificate and two coaches re-accredited with their Intermediate certificate.
MRSL would like to thank the Randwick Executive for their innovative initiatives in 2024 and are looking forward to the 2025 competition.

MASCOT NETBALL CLUB -

In the wake of losing an integral member of our club, community has been our cornerstone. Our dedicated volunteer coaches and managers have led by example, resulting in 30 teams reaching the finals and 17 making it to the grand finals. As a community club with 55 teams, we provided skills clinics for players, coaches, and umpires to help navigate financial and weather challenges. We had a number of coaches complete their national coaching accreditation.
Collaboration with other clubs was a highlight of the season, showcasing our shared passion for netball. Our umpire program flourished, with new umpires stepping up and three achieving C-badge status, while many more are on track to badge in 2024. We extend our gratitude to all umpires for their commitment to fair play and supporting other clubs.
In 2024 we were fortunate to receive the RNA Club of the Year Award. A huge thanks to our Sponsors and all of our players and supporters for a wonderful season

2024 was an extra special year for **RRNC** with the club celebrating its 60th birthday. We are, the biggest club playing in the RNA winter competition with 67 teams and 11 teams reaching the Grand Final with three teams who were premiers. We remain a volunteer community focused club. Another wonderful season for **REDDAM** Netball. A big congratulations to our two championship winning teams; Reddam 11 (13s division 4) and Reddam 14 (12s division 4) and to all our teams and staff for their commitment and dedication to the season. This season, it was amazing to have a number of old girls returning to coach and umpire our Reddam teams. We will continue to support and encourage our umpires in 2024 to strengthen that part of our program. Very proud of all of team Reddam for their efforts in 2024.

SAINTS: We continued to develop umpires and are blessed with many young ones who are keen to learn. We congratulate Amy Day on her C Badge and hope we can maintain one badging each season.

Our bake sale in July was a successful one for the club - it encourages involvement and engagement. Anna Demetrios performed a super task getting it up and running. 2024 was a challenging year for all clubs with the bout of wet weather. Our players and teams stayed strong and wrapped their year up with lovely weather and some great netball.

Thank you to all coaches and managers who continue to make the club stronger, organized and a great one to be with. Their dedication and commitment to the girls is a blessing. Also, to our parents who support the club and trust us with their girls each week. The club would like to congratulate Jen Day, our President on winning the Spirit of the Saints Award at the 2024 awards. Jen tirelessly leads our small village with wisdom and patience. Whilst our season commenced with some challenges with the ongoing unpredictable adverse weather conditions, which affected all sports across Sydney and not only the netball community, the 2024 winter season did finally enjoy some lovely winter netball days.

We certainly didn't let the weather get us down and celebrated in style with crazy hair and sock day, DJ Patrick and the 360 photo booth!! We hope you enjoyed it as much as we did!

This year we had 5 male participants across the 10-12yrs age groups. Next season, we would like to expand the competition further to include male participation in our 13- 15yrs age groups, with the potential of having some mixed teams in our winter netball competition! We have had some very keen interest over the last 2 years to make this happen and would be a first for RNA!

Overall, the 2024 RNA Winter Competition was a resounding success, filled with thrilling matches and community engagement. We extend our heartfelt thanks to all participants, coaches, volunteers, and sponsors who made this season possible.

As we can appreciate, netball clubs and associations rely on volunteers for coaching, administration, and event organization, fostering a culture of community service and involvement. NetSetGO is a vital cornerstone of **Randwick Netball Association** (RNA), as it is where our future stars—the next generation of netball diamonds—begin their journey. As an integral part of our overall program, it serves as the foundation upon which we build a lifelong love of the game, nurturing young talent from the very start.

We are incredibly grateful to the entire netball community—parents, coaches, and umpires—who generously dedicate their time and show remarkable patience in supporting these young players. Their commitment ensures that our youngest participants not only learn the skills of netball but also experience the joy of being part of a team and develop a passion for the sport.

RNA would especially like to thank **Pip**, our dedicated **NetSetGO Coordinator**, for her unwavering support. Week after week, Pip has been on hand every Saturday to oversee the program, provide guidance, and assist teams, ensuring the smooth running of this important initiative. Her leadership and enthusiasm have been invaluable to the success of our NetSetGO program.

SEASON REPORT

The Net-Set-Go 20204 season has been exceptionally positive. Our Net Set Go Skills Program in Terms 2 and 3 achieved remarkable success, attracting many enthusiastic participants. This program provided an excellent opportunity for young girls to learn the fundamentals of netball while making new friends and enjoying themselves. It effectively fostered both skill development and camaraderie among the players.

Participants in our Saturday winter competition adapted seamlessly to the new rule implementations for the 9-year-old category, setting a solid foundation for the upcoming 2025 netball season. This adaptability not only demonstrates the players' resilience but also highlights the effectiveness of the club coaches in guiding them through these changes.

Our Net Set Go Carnival was a vibrant event, brimming with smiles and enthusiastic cheers from the young players. The carnival not only celebrated their achievements but also strengthened community ties, as families came together to support and encourage their children.

Looking ahead, the future of Randwick Netball appears promising. We are committed to continuing our strong emphasis on skill-building and community engagement, ensuring that all young athletes feel welcomed and valued in our netball community. We are excited to build on this foundation and inspire the next generation of players

Training began in earnest on Tuesday and Thursday nights and was again complemented by Fitness sessions run by Bec & Steve on Tuesday nights. The fitness element continued all the way up to Junior State Titles (JSTs) and was an important part of our representative teams preparation.

The Representative teams attended five carnivals in 2024: Charlestown, Penrith, Camden, Liverpool, and Campbelltown. The Development teams attended three: Charlestown, Liverpool, and Baulkham Hills, as well as a Gala Games afternoon at Northern Suburbs Netball Association.

The carnivals were fantastic preparation for JSTs, which were held at Penrith Netball Association. The girls, coaches and RNA executive travelled out to Penrith and stayed 3 nights at the Pullman Hotel, which was located close to Penrith Netball courts, making it possible for the girls to get in some good recovery and rest after each day of competition.

Our 12 years team played their hearts out, to finish in 10th place. The girls learnt a huge amount throughout the competition, and performed as a committed and focused team, lead strongly by Rhiannon and Leanne. Our 13 years team worked hard every day, to finish their final game on Monday, with the court surrounded by RNA players and supporters, to WIN Junior State Titles 2024 for Randwick. It was a proud and emotional moment for the players and coaches, and all the supporters. It has been 24 years since RNA last won a JST “Blue patch” and a wonderful achievement for Brianna and Mojela, in their first year as representative coaches.

The 14 years team performed strongly throughout the 3-day competition, facing some injury concerns and a difficult Day 1 draw. Their determination and commitment to one another saw them finish 3rd on the final day. Pip and Ashleigh created a supportive environment throughout the training and playing process, achieving an outstanding result.

In April 2024, we also selected an **11-year Development Squad**. We held 4 training sessions prior to a “Round Robin” format final selection day, from which 34 players were chosen. The squad had 4 coaches: Erin Archer, Nicole Hahn, Nicole Deguara and Belinda Madden, and trained on a Monday night. They participated in 3 carnivals and each coach was very impressed with their development from the first training and carnival in Penrith, up until the final carnival in Campbelltown.

Thank you to all the parents for the ongoing support of their daughters and the program. The future looks very bright for RNA. With such depth of talent and commitment in our Junior Representative programs, we are looking forward to another fantastic year of training and competition in 2025.

Just when we thought we couldn't beat 2023, what a year 2024 has been for the senior representative program at Randwick Netball Association.

Firstly, we had a very successful Senior State Titles Championship in Campbelltown. The weather was perfect, and the competition was a huge success. We entered three teams this year - firstly the 15 years team, coached by Gabby Donato and Donna Johanson with managers Natalie Kleindyk and Cathy Callen. This team fought really hard and were eventual runners up in their division - the number two 15 year old team in NSW. Congratulations to all! Some of our 15's team were also able to play in metro league for the first time this year, giving them a fabulous introduction into the competition.

Our 17 year team, coached by Leeanne Michaelson with manager Debbie Ennis placed 7th as did our Opens team, coached by Belinda Madden with manager, Tanya Coleman. Again - congratulations to all!

METRO LEAGUE

In November 2023, we held selections for our metro league teams and four teams were chosen from over 120 players who trialled

This year, following the success of our division 3 team in 2023, we had teams in Division 1, Division 2, Division 5 and one in the newly created Development Division ; formerly division 6 and restricted to players under 22 years of age - a great introductory division for players starting out in metro league. The teams started out well and went from strength to strength until in the end, we had THREE teams playing in Metro League Grand Finals on 16th September. What an amazing achievement! Metro 1 in Division 1 was coached by Belinda Madden, with manager Joe Cignetti. The team had some very close games and unfortunately just missed out on finals this year finishing 7th.

Metro 2 in Division 2 was coached by Jenny Morrissey, assistant coach Kura Pitman, with manager Tanya Coleman. They had a difficult start with injuries but soon were right back in the competition, finishing in 4th place to qualify for the finals series. From there, they narrowly beat Northern Suburbs in the semi-final to make into the preliminary final, where they beat the minor premiers, Campbelltown, to go through to the Grand Final against Camden. After an incredibly exciting game, Metro 2 had a convincing win 52-39 and were crowned Division 2 premiers!

Metro 3 in Division 5 was coached by Nicole DeGuara with assistant coach Bill , with manager Debbie Ennis. This team started out strong and stayed in the top two of the division for the entire season along with very close rivals, Central Coast. Metro 3 beat Ku-ring-gai in the preliminary final and faced off against Central Coast in the Grand Final, where they unfortunately lost 32-42. As they were runners up, Metro 3 will move to Division 4 in 2025.

Metro 4 in the Development Division was coached by Leeanne Michaelson, with assistant coach Leah Howarth and manager, Liv Wright. This team also started out strong and remained at the top of the division throughout the season alongside their very close rivals, Hawkesbury, who narrowly beat them in the Qualifying Final to go straight through to the Grand Final. After beating Penrith, Metro 4 faced off again against Hawkesbury in the Grand Final and exacted some sweet revenge by winning 51-37 to become Development Division premiers.

To have three out of our four metro league teams in the Grand Final was an incredible achievement and is testament to the hard work and determination shown by all the coaches, managers and of course, our wonderful players!

We also have three men's metro league teams who are currently still playing in their competition. Team 1 and 2 are currently third in their respective divisions with team 3 coming in 7th.

In mid - October, we will have three teams playing in the Netball NSW Summer Court Craft Series. We wish them all the best of luck!

We will be holding trials for our Senior State Titles and Metro League teams over the next few weeks. The RNA Senior Representative program has gone from strength to strength and now RNA are considered one of the most successful associations in NSW. Congratulations to everyone! Bring on 2025!

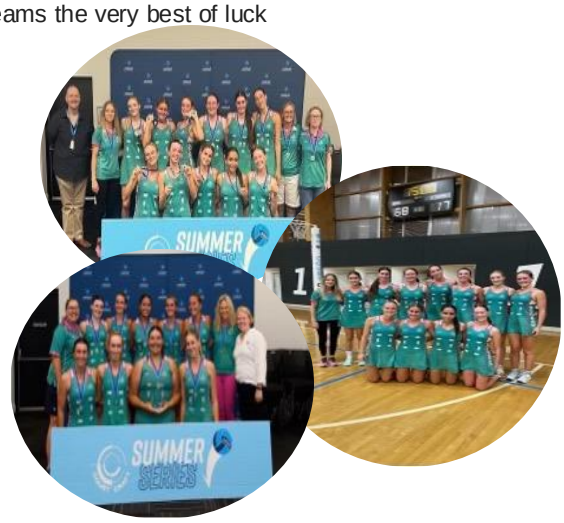

Joanne
