Randwick Netball Association acknowledges and pays respect to the Gadigal, Gweagal, and Bidiagal people, the traditional owners of the land at Heffron Park. RNA also acknowledges the various traditional custodians of the land across the wide netball landscape in NSW. We pay respect to their culture, history and Elders, past, present and emerging. The Aboriginal lands and waters on which we build our courts, clubhouses, and facilities that are essential to our game are acknowledged as ancient and respected ground, and we acknowledge the significant and ongoing contribution of local Aboriginal communities throughout the Randwick community.

RANDWICK NETBALL ASSOCIATION

EXECUTIVE COMMITTEE

The RNA Executive Committee once again demonstrated outstanding dedication, commitment, and energy throughout the year. During the off-season, the committee worked tirelessly to close out one season while simultaneously preparing for the next—managing PlayHQ registrations, coordinating clubhouse and facility preparations, and overseeing the representative selection process. In addition, the committee successfully delivered another fantastic Spring and Summer competition, with a special acknowledgement to Tanya Coleman for her exceptional effort, organisation, and leadership in ensuring the success of these events.

Throughout the competition months, members continued to volunteer their time and expertise to ensure the smooth delivery of all-age Saturday competitions for thousands of players. The collaboration between our Clubs and the Executive was instrumental in another highly successful season.

A highlight of the year was the NetSetGO Carnival, which encapsulates the joy, energy, and community spirit that define Randwick Netball. Watching our experienced players showcase their skill and determination in the grand finals was truly inspiring and a powerful reminder of why we are all so passionate about this wonderful sport.

RANDWICK NETBALL ASSOCIATION

PRESIDENTS REPORT

As I reflect on 2025, my heart is full of gratitude and pride. This year has been nothing short of extraordinary for Randwick Netball Association, and it is all thanks to the incredible people who make up our netball family—our players, volunteers, coaches, umpires, club committees, families, and supporters.

Heffron Park: A Dream Realised
The official opening of our all-weather outdoor netball stadium at Heffron Park was a moment I will treasure forever. Three covered courts, world-class facilities, and a space we can truly call our own. This dream became reality through the unwavering support of Randwick City Council and the tireless advocacy of so many within our Association.

The opening ceremony was pure magic. Thousands gathered to celebrate our Walk of Fame, honouring six home-grown Diamonds: Cheryl McCormack, Marcia Ella-Duncan, Susan Kenny, Chelsea Pitman, Gabrielle Simpson, and Amy Parmenter. Watching our young players walk past those posts, seeing their eyes light up with possibility, knowing they're thinking "that can be me"—that's what it's all about.

Club Competition: Where It All Begins
Our grassroots is where the heartbeat of Randwick Netball truly lies. With 30 vibrant clubs and over 4,500 members taking to the courts every Saturday at Heffron Park, this is where friendships are forged, skills are developed, and the culture of our Association comes alive.

To every club committee member, coach, and volunteer who gives their time week after week—thank you. Your dedication is the foundation upon which everything else is built. You create the joy, the mateship, and the sense of belonging that makes Randwick special.

Pathways and Inclusion for All:
Our UTS Randwick Sparks pathways and All Abilities programme ensure netball is inclusive and accessible for everyone, while our men's netball programme continues to grow, providing opportunities for all members of our community to participate in the sport we love. These programs reflect our commitment to ensuring that everyone, regardless of ability or background, has a place in our netball family.

Representative Successes
Our 14s Representative team made history this year, to claim the 2025 State Championship—back-to-back titles as 13-year-olds and now 14-year-olds. What a remarkable achievement!
Our Senior State Titles showcased the strength and depth of our program:

- 17s Team: Runners-up
- 15s Team: 4th place

I'm bursting with pride for Freddie Schneideman, selected for the Australian Youth Club (Under 21) and awarded the Swifts Academy Players' Player of the Year. And congratulations to Charlotte Ryan, selected into the NSW Indigenous Team—your achievements inspire us all.

Our Metro League and Premier League teams showed tremendous heart:

- Opens Premier League: 5th position, with several players promoted to the Swifts and Giants
- Under 23s: Finished 3rd, displaying immense determination in the finals

To our coaches, managers, volunteers, and parents, thank you for nurturing our athletes and helping them reach their potential.

Umpiring Excellence
Our umpiring program continues to be a source of immense pride. This year, 25 members achieved their National badging, and a very special congratulations to Ryan, who attained his A Badge—a significant milestone for both him and our Association. Our umpire mentoring program is recognised across NSW as setting the standard, and I'm grateful to everyone who contributes to developing our next generation of umpires.

Volunteering: The Heart of Our Association
This year, our volunteer program grew beautifully with the addition of twenty Duke of Edinburgh students who arrived early each Saturday to set up courts, manage equipment, and support our operations. Their enthusiasm and commitment have been wonderful to witness.
What touches my heart most is seeing the intergenerational connections—our experienced volunteers mentoring these young people, sharing knowledge, and creating a culture of service and community. This initiative has been recognised by Netball NSW, and I'm proud that we can share our model with other associations across the state.

Community Giving & Fundraising: Playing and Giving with Heart:
Randwick Netball's commitment to community extends far beyond the court. For six consecutive years, we have been NSW's highest fundraising netball club for Kids Cancer through our Hair and Crazy Sock Day. In 2025, this initiative, along with our Play Like a Girl Day supporting women's cancer, raised over $15,000.
Our Association Raffle, featuring prizes from a private Sydney Harbour day to exclusive Rabbitohs experiences and signed NSW Swifts memorabilia, raised over $6,000. Thank you to everyone who supported these initiatives—you prove that our community not only plays with heart but gives with heart.

NetSetGO: Growing the Game
Our NetSetGO program has blossomed beyond my wildest dreams. With over 700 participants, we've become a state-wide pilot for Netball NSW. What began as a simple idea of handing out balloons in a shopping centre has become a flagship program, engaging children in fun, inclusive, and skill-focused sessions.
The End of Year Mini Carnival was a beautiful celebration of these young players' enthusiasm and growth. Seeing their joy and confidence reminds me why we do what we do.

Celebrating Our People
From our talented players to our dedicated coaches, managers, umpires, and volunteers—Randwick Netball is driven by extraordinary people. I'm privileged to work alongside our Executive Committee—13 remarkable women leaders who guide this Association with vision, dedication, and an unwavering commitment to our community.

Looking Ahead with Hope and Gratitude
2025 has been a year of milestones, achievements, and celebration. Yet our journey continues. With the support of this incredible community, I know that Randwick Netball will remain a beacon for women's sport, grassroots development, and community connection. Our mission remains clear: to provide opportunity, connection, and excellence at every level—from our 30 clubs and grassroots competitions to our representative and social pathways. Every player, volunteer, and supporter deserves the chance to thrive, and together, we will make that happen.

To everyone who has contributed to this exceptional year—from the bottom of my heart, thank you. Together, we are building a legacy of achievement, inclusivity, and joy that will inspire generations to come. Here's to 2026—may it be even bigger, bolder, and brighter for our Randwick Netball family.

With deep gratitude and pride,

Jenny

RANDWICK NETBALL ASSOCIATION
2025 STATS

The **Randwick Netball Association** continues to experience outstanding year-on-year growth, reflecting both the strength of our programs and the enduring popularity of netball within our community. Our **NetSetGO** program remains a cornerstone of this success, introducing young players to the sport and inspiring a lifelong love of netball. We are proud to see increasing participation from local clubs and schools, with netball firmly established as the leading team sport in New South Wales—particularly across Sydney's Eastern Suburbs.

Our vision is to sustain this momentum by ensuring netball remains accessible and rewarding for players of all ages and abilities. We are committed to delivering a **first-class competition experience**, offering development pathways from grassroots through to elite levels, and providing quality facilities to support every athlete's journey.

Beyond the court, netball plays a vital role in fostering **community connection, wellbeing, and belonging**.

For many families, Saturdays at Heffron Park are more than just about sport—they are about friendship, teamwork, and shared pride in our local community.

This year, our **Saturday competition** welcomed more than **10,000 weekly spectators**, creating a vibrant atmosphere enhanced by high-quality amenities, including our popular barista coffee and BBQ areas. Our **Summer & Spring League** also reached record numbers, with over **90 teams** and 1528 players competing on Wednesday evenings, showcasing the growing enthusiasm for netball in Randwick.

As participation continues to rise, we remain dedicated to **nurturing talent, expanding opportunities, and celebrating inclusion**. Whether players are just beginning their netball journey or striving for representative honours, Randwick Netball Association is proud to provide a home where everyone belongs, and the spirit of the game thrives.

RANDWICK NETBALL ASSOCIATION

OPENING CEREMONY

The opening ceremony for the Randwick Netball Association's 2025 season was held at the new Heffron Park stadium, marking the launch of the season and the opening of the facility.
The event featured a smoking ceremony conducted by Davey Johnson from the Gujaga Foundation, club parade, a marching band, a Welcome to Country, and the national anthem, celebrating the new stadium and the start of a new season.

The new **"Diamonds Posts Walk of Fame"** to honor six elite athletes who started their careers with the association was unveiled, including Marcia Ella-Duncan, Sue Kenny, Cheryl McCormack, Gabi Simpson, Chelsea Pitman and Amy Parmenter.

The ceremony also recognised the work of the association's volunteers, who have contributed significantly to the sport in the community by the unveiling of the RNA service recognition plaques on the **Wall of Fame.**

After the formal proceedings, the event concluded with the start of the new season, signaled by the sound of an umpire's whistle and players taking the court

STADIUM & FACILITIES

"I believe in my sport. I believe in women's sport, and I'm passionate about elevating netball"

Jenny Morrissey

The Heffron Netball Centre is fast becoming one of NSW's top complexes, featuring 35 outdoor courts that support both modified(NetSetGo) and competitive play.

The new outdoor stadium with three undercover courts, allowing games and training to continue in all weather conditions has transformed the park.

The addition of storage containers has made game day set up and take down easier and more efficient and we're looking forward to the development of old toilet block to improved amenities and additional storage.

New water stations to ensure player hydration, together with the stadium seating are a big hit.

It was wonderful to unveil the Service recognition plaques for outstanding contribution from our members, throughout association over the years.

The goal post 'Walk of Fame' honouring our Australian Diamonds continues to inspire our younger players and has been used so much we've already worn the grass down.

Our community extends sincere thanks to Randwick City Council for their unwavering and ongoing support of women's sport, particularly netball. Their commitment has been crucial in improving our facilities and creating a thriving environment for players of all ages.

CRAZY HAIR & SOCK DAY

One of the most joyful and meaningful events in our Randwick Netball calendar is Hair and Crazy Sock Day, held each

Our teams play each match not just for points, but for purpose. The collection of Kids Cancer playing patches proudly displayed on our uniforms is a powerful reminder of what we can achieve when we play with heart.

This year, we're once again aiming high—to lead NSW in fundraising and continue building a legacy of compassion, connection, and commitment to something bigger than ourselves.

The RNA community went big with the hair, bold with the socks, and strong with their hearts and generosity.

that celebrates kindness, colour, and community, where every player, coach, and supporter comes together to make a difference.

From bright wigs to the boldest socks imaginable, our players fill the courts with creativity and heart. Each donates just $1.00, knowing that every contribution helps children and families facing the challenges of cancer.

For the past six years, Randwick Netball has proudly stood as the highest fundraising netball club in NSW—a title that reflects not only our generosity but also our shared purpose. More than the recognition, it's the impact we create together that matters most.

A highlight of the day is the visit from Oscar the Bear, the much-loved Kids Cancer mascot who brings smiles and excitement to the courts. Families can also purchase their own Oscar Bears, with all proceeds directly supporting Kids Cancer projects and research.

DUKE OF EDINBURGH AWARD

Something special is happening at Randwick Netball Association – a thriving volunteer program that reflects the very spirit of our sport: teamwork, dedication, and community.

"What began as an ambitious outreach has quickly transformed into one of our proudest achievements," Jenny Morrissey, President of Randwick Netball Association said.

Through The Duke of Edinburgh International Award Framework, Randwick Netball Association has welcomed 20 enthusiastic volunteers who now arrive each Saturday morning, ready to play their part in bringing competitions to life.

"From the upcoming Spring Competition to regular weekly fixtures, these remarkable individuals have become the backbone of our netball family.

"At 7:00am each Saturday, while most of the community is still waking up, our volunteers are at the courts, full of energy and purpose. They set up post pads, position tents, arrange flags, and even take to the courts with squeegees when the weather adds an extra challenge."

TIE DYE PROJECT

This year, Randwick Netball Association embarked on an ambitious vision to host The Tie Dye Project Community Celebration in November — a four-day event uniting our passion for netball, community wellbeing, and vital cancer research. Our state-of-the-art shaded facility at Heffron Park provided the perfect stage for a celebration of sport, hope, and the incredible spirit that defines our community.

Born from our long-standing involvement with The Tie Dye Project, the concept aimed to honour our sporting heritage while championing causes that matter deeply to us. The celebration would feature netball clinics led by Australian Diamonds players, inspiring our local athletes and showcasing the pathway from grassroots to elite sport right here at Heffron Park. A hands-on tie-dye festival would continue our tradition of spreading colour and joy, reminding us all to look for life's rainbows even during challenging times. As the largest sport in the Randwick Local Government Area, netball lies at the heart of our community's culture. This event was designed to reflect that pride while reinforcing our commitment to championing women's sport at every level. More than a sporting event, this celebration embodied values of connection, resilience, and compassion — supporting cancer research, mental health awareness, and the strength of community unity.

HYUNDAI CAR RAFFLE

Randwick participated in the 2025 Hyundai Car raffle, an initiative that resulted in 100% of raffle tickets sold going back to the nominated Club or or Association. The raffle, proudly presented by Netball NSW and Hyundai Australia, saw 33,316 tickets sold across 3,345 transactions, raising vital funds for netball associations and clubs across New South Wales. RNA results are:

Randwick Netball Association - $1,560
Bondi Phoenix - $304
Coogee Netball - $152
Double Bay Diamonds - $402
Maroubra Mermaids - $424
Marrickville RSL Allstars $818
Mascot Netball Club - $360
Randwick Rugby Netball Club - $1,098
Rose Bay Magic - $430
Saints Netball Club - $730
The Juniors - $16
The Minhi's Netball Club - $98
UNSW Netball Club - $134

CLUBS BAKE SALE

The club's bake sale was a resounding success, bringing members together to raise funds and community spirit. A variety of homemade treats sold quickly, generating strong participation and enthusiasm. The event raised valuable funds for upcoming projects and showcased the club's teamwork, organisation, and commitment to shared goals

ROYAL WOMENS HOSPITAL PINK ROUND

We love the annual pink round for the Royal Womens hospital, Pink balls and Hoodies were on sale. It was heartwarming to see so many Dad's proudly wearing their hoodies and supporting this worthy cause. Our wonderful RNA netball community supported this cause with its usual enthusiasm, raising $5105 towards women's cancer.

PHYSIOTHERAPY

This year marked the second season that my team and I have had the privilege of leading the physiotherapy services at Randwick Netball Association. I'd like to start by saying a big thank you to Jenny and the entire association for their ongoing support throughout the 2025 season. We are so grateful.

Our role at RNA is something we are proud of, and I'd love to share what we've been able to provide this year and what we're building on for 2026 and beyond.

Firstly, we were responsible for supporting the representative program, as well as the Junior and Senior State Titles. Being part of such a successful campaign was a real highlight for us, and we can't wait to be part of it again next year.

Our main role, though, was being there every Saturday to provide physiotherapy coverage. This included strapping, injury assessments, triage, referrals, and following up with injured players the following Monday to make sure they were cared for and supported.

Over the course of the season, we helped more than 100 players on Saturdays through on-the-spot care and follow-up. From the very first game of the day to the final siren, my team and I were there to answer questions, treat injuries, and offer support, something we're proud to continue next year.

Looking ahead to 2026, we will be making a few small changes to the way we capture injury details. This will help us ensure that every injured player is contacted and supported.

CLUBS REVIEW

Bondi Phoenix

Bondi Phoenix has had a bitter-sweet 2025. The year started with the devastating loss of our friend and colleague, Fiona Lamont. Fiona's death was so quick and tragic that it left us reeling. Members rallied around and took on new responsibilities and despite our loss and waves of grief that appeared at different times throughout the year, 2025 was one of the club's most successful.
Of 17 teams entered in the RNA Winter Competition, 5 teams were minor premiers, 11 made it to the Finals series and 5 teams reached the Grand Final. Of the 5 finalists, 4 won their division title, with one runner-up!
A real tribute to Fiona and the hard work she put in to make Bondi Phoenix such a great place to play netball!

Bondi United

Bondi United had 4 teams this year and all had fun each week, whether they won or not. The Under 13's had their first year with the club and made it through to the final. The Under 15's were very competitive but unfortunately missed out on the finals series. The B4 team enjoyed catching up with their friends each weekend but our success was the intermediate 4 team who had a fantastic year with only one loss all season and winning the Grand Final convincingly. Thank you Randwick for another successful year.

Botany Thunder

Such a season of change and challenges for BTNC.This game builds tenacity, resilience, confidence, and self-belief so, we worked hard to find what was needed. We saw the opportunities and while the challenge can be uncomfortable, we knew the achievements were greater. We adapted, we evolved, we went with it and came through stronger. Up 3 grades from last season and made the GF! A great achievement. BTNC, With Each Other, For Each Other

St Catherines

St Catherine's had a great season in the RNA competition, with 29 teams competing. All teams showed excellent commitment and enthusiasm in both training and matches and we are very proud of their efforts and the improvements they made. Five teams won their divisions, with many others reaching the semi-finals. Our senior teams had strong results, with three of our inters teams becoming premiers. Our umpiring program also grew this year, with many new umpires joining and being supported through our mentoring system, and one umpire achieving her C Badge. We also had girls completing their DofE volunteering for RNA, contributing to the running of game day and learning valuable skills. We were also excited to welcome our Year 2 players into the club, with the Net Set Go team showing fantastic improvement and finishing the season with a great final tournament. Thank you to our coaches, managers, and families for all their support, and to every player for representing St Catherine's with pride throughout another successful season.

Coogee Netball

This season Coogee Netball had a total of 27 teams made up of 5 NSG, 14 Junior, 2 inters and 6 Seniors. It was quite a successful year for us with 14 of our 22 eligible teams qualifying for the semis. 8 of those teams made it through to the grand final, and we had an amazing 4 GF winners. A great way to celebrate and mark our 40th year as a Club. We are so lucky to have such a great Club full of wonderful families and volunteers. This is what makes our Club so strong and successful. We are looking forward to great year in 2026

Double Bay Diamonds

Club of the Year

Double Bay Diamonds Netball Club (DBD) has continued to strengthen its netball community, achieving both competitive success and member growth across all levels. With over 500 members and 48 teams competing, from NetSetGo to senior divisions, DBD recorded its highest-ever finals participation, with 80% of teams reaching finals and numerous players earning representative honours, including grassroots star Frederika Schneideman debuting for the NSW Swifts and joining the Australian 21/U Squad.
Our strong coaching program, led by experienced mentors and supported by new coaches, fostered development at every level, while its umpiring initiative produced multiple accredited umpires. Off the court, DBD's dedicated volunteers, community engagement, and expanding sponsorships have enabled initiatives such as a hardship fund supporting 10 families and enhanced umpire support. United in the loss of beloved coach and mentor Donna Johanson, the new "Donna Johanson Award for Resilience," was introduced to recognise the qualities Donna treasured in her players. As RNA Club of the Year award—an achievement that embodies the club's mission to create a fun, inclusive, and inspiring environment both on and off the court.

The Juniors

The 2025 season was one of outstanding growth and achievement for our club, with a record number of NetSetGO teams taking the court. The Juniors teams performed exceptionally well, with strong representation in the finals series — reaching the semifinals in the 11 Years Division 2, 14 Years Division 3, 14 Years Division 6, B3, and A2 grades. This success reflects the commitment of our players, coaches, and families throughout the season. We were also proud to celebrate six club members selected in RNA Representative and Development Teams — congratulations to Eva Ryall, Cobi Ryan, Nessa Ingrey, Jazmine Ballard, Amaali Gordon-Roquiqa, and Gianna Singh

Kambala

This season marked our ninth year competing in the RNA competition, and it proved to be our most successful to date. We reached a record seven grand finals, an incredible achievement for our club. Of those seven teams, five claimed victories, showcasing the hard work, dedication, and teamwork of our players and coaches.
A particular highlight was finally securing the Inters Division 1 title, a milestone achievement that has been nine seasons in the making.
As we look ahead to our 10th year in 2026, we're excited to continue building on this momentum and strengthening our club both on and off the court.

Kincoppal

Kincoppal entered 13 incredible teams this season, each showing outstanding spirit, teamwork, and commitment throughout the year. A huge thank you to our umpires, coaches, and parents for their dedication and support, and congratulations to all the girls for their hard work and enthusiasm both on and off the court.
We're proud to share that six KRB girls were selected for the 2025 RNA Representative Teams, with a further three players chosen for Development Teams.
Special congratulations to our 14s State Champion players, Ruby Daniel and Sadie Eisenhauer, who achieved back-to-back state titles and were invited by Netball NSW into the Emerging Talent Identification Program. Both also represented Randwick in the Sparks Academy team.
We also congratulate Mila Hall, who was part of the Under 17s team that finished runners-up at the State Championships. Milla was also selected for the Sydney Academy an outstanding achievement!
The future of netball at KRB is looking very bright

Maccabi

2025 was another successful year at Maccabi Netball with over 300 players joining the club.
We had outstanding results on the court across all age groups. A stand out was the success of our Under 14 team, winning the division one title. Led by super coach Vanessa Abrahams this was the first time Maccabi won a division one title in many years.
We have also had a changing of the guard with Michelle Samuel's stepping down as president after three years at the helm. Adam Dinte who joined the board in 2025 will be leading the club as president next season.
We look forward to another successful 2026!!

Mascot

In 2025, our amazing not-for-profit club proudly celebrated 55 years of netball!
This season, we fielded 56 teams — including 8 NetSetGO teams who loved learning new skills and making new friends. An incredible 26 competitive teams reached the Finals, with 13 Grand Finalists and 8 Premiership Winners!
Congratulations and heartfelt thanks to our wonderful Committee, our Sponsors, and our incredible Coaches and Managers for the dedication and passion that make Mascot Netball Club so special.
Our Umpires Program also continued to thrive, with four new C-badged umpires and 20 umpires officiating during the Finals. We're incredibly proud of our 50+ dedicated club umpires, supported by our amazing Coordinators and Mentors who make this program such a success.
We're proud to be part of the wonderful Randwick Netball Association competition and look forward to an even bigger and better season in 2026!

Marrickville AllStars

2025 was a stellar year for MRSL, marked by outstanding achievements across all levels of the Club. Here is a snapshot of the season's triumphs:
Team Achievements: 30 Teams in Total / 18 Semi Finalists / 10 Finalists and 5 Grand Finalists. Our Team 1 was moved mid season from A2 to A1 and did the Club proud by coming in 3rd, with all players, except one, under the age of 18. Our future looks strong. All our 10s team progressed to semi-finals again – a clean sweep
Representative Honors: MRSL players and coaches proudly contributed to the Association's representative programs: Metro - 4 players / 2 coaches, Senior State Titles - 2 players, Junior State Titles – 5 players, 11s Development – 5 players / 3 coaches.
Umpiring Excellence: Years of nurturing young umpires paid off with 3 under-18 umpires achieving their National C Badge.
RNA Awards Night – MRSL Winners: A night of celebration with three prestigious awards:Judy Capovilla (The Patricia Martin Service Award) Louise Newton (The Fran Reynolds Bench Official Award), Shawnee Driscoll (The Maureen Munce Senior Representative Player of the Year).
This year's success is a testament to the Club's commitment to development, teamwork and community spirit.

Maroubra Mermaids

Another fabulous season for our Mermaids. Fantastic to see so many returning coaches this year with thanks to Naomi and Rachael, Laura, Lily, Natasha, Brooke and Zoe and congrats to Lily on her Development level accreditation. Well done to our newest umpire Hana and pleasingly we achieved another National C badge via Ruth (at last!). All teams did really well this year with 50% of our teams making the grand finals - Senior Blue C1 premiers and our U11 and U12 both runners up! Congrats to those teams, dedicated managers, coaches and support crew. The bake sale, with thanks to RNA, was a huge contributor to our end of season and we couldn't do this without our MM community. Recognition this year for Ann Trivas our founder/president who we nominated for an RNA service award for her contribution to our club, RNA exec and sport for over 20 years. Gratitude to all our committee who make it possible each season for our club and members.

Minhis

The Minhi's Netball Club had an amazing season. This season we showcased remarkable talent from all of our Indigenous and Non Indigenous athletes. Our U10's most of them new players and their first time playing together. Going 6 weeks undefeated, making them Minor Premiers as they headed into the grandfinal. Finishing the season as runners up. Our B3 senior ladies had a challenging season but never gave up and represented what it means to be a true Minhi by showing passion, patience and perseverance. We are very proud of all of our Minhi's (sisters) for all of their hard work, dedication and determination during the 2025 winter season

Randwick Ruby

Randwick Rugby Netball Club has enjoyed another successful and rewarding season in 2025, seeing strong growth in player development and participation. As a volunteer community focused club, we are so grateful to all of our amazing coaches, managers, umpires, supporters and of course, our hard-working committee members. We would not be able to effectively manage a club of this size without their ongoing commitment and dedication. We are also grateful to our members who volunteer for RNA, in a number of different capacities. In a strong, competitive season, RRNC had 61 teams comprising of 11 Net Set Go teams, 30 junior teams, 10 Intermediate teams and 10 Senior teams. We had 26 teams progress to semi-finals, 12 grand finalists and 7 Premiership Winners.

Additionally, we were well represented across RNA Teams and Development Squads, with 7 junior representative players and 21 junior development players. We were also well represented in the Senior representative program with 4 metro league players and 1 premier league player. 2025 saw the expansion of our highly successful umpiring program which continued to show significant growth in umpire development. The club had 6 umpires receive their C Badge and 2 umpires receive their B Badge. The club provided several pre-season fundamental skills and extra group training sessions throughout the year and leading into the finals, and we look forward to expanding our coach mentoring program next year. A massive thank you to all who make our club so great, and we look forward to another great year in 2026!

Reddam

The 2025 season has been another fantastic year for Reddam Netball, with strong participation across all age groups and divisions. We fielded 19 teams this year, showcasing the depth of talent and commitment within our school community.

Highlights of the season included our 11 Years Division 5 team taking out the premiership, while our Inters Division 8 team finished as runners-up.

It has also been wonderful to see so many former Reddam girls returning to coach, giving back to the program, and the emergence of upcoming umpires from within the school, ensuring the continued growth and development of our netball community.

The season has been a testament to the dedication, teamwork, and sportsmanship of our players, coaches, and support staff, and we look forward to building on this success in 2026.

Rose Bay Magic

This year was an exciting and successful one for Rose Bay Magic, with 13 teams taking the court. For the first time, we fielded two teams in both the 11s Division 1 and 12s Division 1 competitions — a fantastic milestone for our growing club. We proudly took six teams to the St George Carnival, where two came away as division winners. Beyond the results, we're especially proud of the development within our club community, with many new coaches and umpires gaining valuable experience and qualifications. It's been a year of growth, achievement, and strong club spirit.

Rose Bay Secondary College

The Rose Bay Secondary College Netball Club represents the absolute best of determination and teamwork that showcases the benefits of public school education. A small but mighty club, every one of our three teams reached the semifinals in the 2025 season. The teams were proudly trained by student and ex-student coaches under the guidance of Claudia, with strong support from Lily and Robyn. Across the teams, results reflected skill, persistence and strong community spirit. RBSC Under 14 Red played in Division 5 and achieved a very respectable 4th place. RBSC Inters Red—playing in Division 8 with only seven players for most of the season—produced an incredible 3rd-place finish through sheer commitment and teamwork. Incredible result for our star team RBSC Inters Blue who competed in Division 3 and earned the season premiership title! Phenomenal effort all. Huge thanks go to John Flack for arranging training space and providing equipment for teams and coaches, and to Karina and Lay for managing players and teams in the competition. Special appreciation goes to Kylie, Rachael, and Eve for their dedicated work as Team Managers. Thank you also to our dedicated umpires from UNSW: Rashieqah, Nicola and Jaimee who improved our players skill with their knowledge.

Saints

The 2025 season was a remarkable year for Saints Netball Club, highlighted by four premiership wins, the introduction of two new senior teams, and the retention of intermediate players beyond school years. Our successful August bake sale once again united players, families, and supporters, strengthening our community spirit. We extend sincere thanks to our dedicated coaches, managers, and parents for their ongoing support. In umpiring, Amelia Amarian received the inaugural Umpire of the Year award, while Amy Day and Emily Demetrios were honoured with the Spirit of the Saints Award. Special thanks to Jen Day and Shayne Stokes for their outstanding leadership and commitment

Seekers

Another fun and entertaining year for our Seekers senior team. After a year of battling baby showers and Europe trips, our team made it all the way to the grand final. Although we lost the grand final it was another year of laughs, triumphs and good netball. A big shout out to all of the RNA team who keep the comp running every year, and to our biggest K9 supporter Toby. Bring on winter 2026!

St Spyridon

This year has been an outstanding one for the St Spyridon netball program, marked by strong growth, teamwork, and commitment both on and off the court. Our players have demonstrated improved skill development and sportsmanship throughout the season, resulting in several impressive performances and improved standings across all grades. A big thank you to our coaches, and volunteers who have been instrumental in maintaining a positive and inclusive club culture. We are particularly proud of the continued increase in player participation, which reflects the strength and spirit of our College. Looking ahead, we remain focused on fostering player development, supporting our coaching staff, and building on the success of this year to achieve even greater results in the coming season. We were extremely proud of our U12 teams which made the finals for the first time but unfortunately lost.

UNSW

This year was another incredible season for the UNSW Netball Club, with 131 players - 56% of whom were current students- representing the club across 12 teams in 9 grades. We're so proud to celebrate that five teams made it through to the finals series, and two teams went all the way to the Grand Final! Beyond the court, the club has continued to expand its presence within the local community, building stronger connections through social competitions, local partnerships, and university engagement. It's been amazing to see the club grow in both performance and community spirit- and we can't wait to keep building on this momentum next season.

RANDWICK NETBALL ASSOCIATION

COMPETITION REPORT

The 2025 Competition was another strong and enjoyable season at Randwick Netball Association, with great participation across all divisions. This year saw over 453 teams take the court each week, showcasing both the competitive edge and community spirit that makes our winter comp so special. While the weather at Heffron Park was its usual unpredictable self, teams showed fantastic flexibility, with games rescheduled smoothly.

The standard of play across all divisions was exceptional, with several close finishes and hard-fought grand finals that highlighted the depth of talent in our association. Congratulations to all premiership winners and runners-up, and a special mention to those teams who went through the season undefeated. Beyond the scoreboard, it was pleasing to see great sportsmanship and camaraderie on display every week, reinforcing our values of respect and fair play.

Our sincere thanks go to clubs, club umpires, court team managers/coaches, and volunteers who ensured each round ran smoothly. The continued commitment of our community — both on and off the court — is what keeps our competition thriving.

Looking ahead, we're excited to continue improving the netball experience in 2026 and beyond. Thank you to everyone who contributed to another successful season at Randwick Netball Association.

Below outlines the divisions and team numbers during the 2025 Winter Season.

Emma & Tanya

A Grade	21 teams
B Grade	30 teams
C Grade	13 teams
Inters	67 teams
8 Years	26 teams
9 Years	32 teams
10 Years	42 teams
11 Years	45 teams
12 Years	46 teams
13 Years	47 teams
14 Years	43 teams
15 Years	37 teams
Total	453 teams

Our Spring and Summer Competitions continue to be a highlight of the Randwick Netball Association calendar, offering players a fun, inclusive, and flexible way to stay active outside the traditional winter season. Throughout 2024/25, participation in both our Spring (119 teams) and Summer (56 teams) social competitions remained strong, with teams of all skill levels enjoying the chance to play in a relaxed and friendly environment at Heffron Park with friends, family and clubs.

The social competitions provided a fantastic opportunity for new players to join the netball community and for returning teams to stay connected during the off-season. The focus on enjoyment, fitness, and teamwork was evident each week, with plenty of laughter and good sportsmanship on display and some music to keep the ball alive at the last 5 minutes of each quarter!!

Our social comps prove popular with workplaces, friends, and family teams, reinforcing RNA's role as a community hub where everyone can experience the game, regardless of experience or age.

It is great to see the Netball NSW have used the RNA model to actively promote and market to other associations and media outlets after they came out to observe how we have structured our social comps!!

A special thankyou goes to Tanya Coleman, our fearless coordinator and to the umpires, coordinators, and volunteers who support the competitions across the year — their commitment ensures our social comps during the off season run smoothly and safely.

We look forward to continuing these social competitions in 2026, to make social netball even more accessible and enjoyable for our growing community of players whilst we look at great ways to increase our fundraising avenues for support to our representative teams with their pathways.

NET SET GO

Our 2025 NetSetGo journey began with a burst of energy and colour during the Woolworths Come & Play PR Launch on February 8th, where an incredible 98 participants registered to join the fun. The rebranding looked sensational, the atmosphere was electric, and the presence of SSN players and local celebrities brought star power and excitement to the event which was broadcast on Channel 7 Sunrise Breakfast Show.

The very next day, our mission to spread the NetSetGo message continued with a clever grassroots activation — a community kiosk at Westfield Eastgardens. Armed with balloons, flyers, and plenty of enthusiasm, we connected with over 100 families. Thanks to the dedication of our clubs and volunteers, we created real buzz and anticipation ahead of the official launch on February 15th.

When that day arrived, the Woolworths Come & Play Day was nothing short of a triumph. With 152 registrations, we not only surpassed previous years, but outperformed the participation of the last three years combined — a true reflection of our growing reach and community engagement.

Building on this momentum, we launched our Net Training Program alongside our Winter Competition, which itself attracted 460 players across 48 teams. Each Tuesday, our U13 and U15 Representative players generously volunteered their time to mentor younger athletes — an inspiring display of leadership and teamwork.

Across three seasons, 164 children have taken part, many returning for more as the program continues to grow each term.

In total, over 750 young players have taken part in our NetSetGo programs this year — an outstanding achievement that speaks to the fun, inclusive, and supportive culture we've cultivated.

We are especially proud that Netball NSW has adopted our model to promote NetSetGo across the state and what began as a local initiative has evolved into a blueprint for grassroots engagement, showcasing the power of community-driven innovation in junior sport.

Our programs provide every child aged 5–12 with a joyful introduction to netball. Through our 8-week NET Skills sessions, players develop essential motor skills and coordination in a fun, encouraging environment; supported by Active Kids Vouchers to keep the program accessible. For newcomers, our free Woolworths Come & Play Days offered a relaxed, family-friendly way to experience the sport for the first time.

As players grow in skill and confidence, the SET and GO Skills Sessions provide them with the opportunity to take their next steps, combining weekly training with modified, non-competitive Saturday matches that build confidence and teamwork.

In a tremendous milestone, Netball Australia chose our courts under the state-of-the-art Randwick outdoor stadium to host the National Come & Play Day, drawing over 150 participants. This national spotlight reinforces Randwick Netball's standing as a leader in junior development and community engagement.

But beyond the numbers, the heart of our program lies in the smiles, friendships, and confidence it nurtures. Our small-group training format — just 8–10 children per coach — ensures every participant feels seen, supported, and celebrated. And, of course, our young athletes love finishing each session with a sweet surprise, thanks to our wonderful Woolworths partners in Eastgardens, Randwick, and Double Bay.

It fills me with pride to acknowledge what started as the simple idea of handing out balloons in a shopping centre has blossomed into something truly special — a thriving community united by fun, friendship, and the love of netball.

The growth and recognition of our NetSetGo program is proof of what's possible when passion meets purpose. At Randwick Netball, we're not just teaching skills — we're building confidence, character, and lifelong connections.

Randwick Netball's NetSetGo – where champions begin, friendships form, and the love of netball takes flight

What an exhaustive list of achievements for RNA this year but that wasn't all! This winter season we ran two umpire workshops, a beginners workshop and then a pre finals experienced umpires workshop, facilitated by our umpires committee and senior umpires. Both had great attendance. We also launched our "if you see green they are U18" green armband initiative to support young umpires.
Gratitude to **Eden Schreier** this year for taking on the task of our neutral A pool allocations every Saturday – always a challenge! Also to all our fantastic **club umpire convenors** for the sharing of resources, panels, finals and support of each other and RNA to ensure games happen.

Delighted to see **HyAnh Nguyen** (UNSW netball) a deserving recipient of the Claire Hicks Umpire Award for RNA this year. HyAnh in addition to being on our umpires committee has mentored every Saturday and at five carnivals all day, panelled, facilitated at workshops and developed a depth of senior umpires at UNSW which supports many clubs and enables our finals to be covered. Couldn't have achieved all we have without you!

Finally, a special callout to our very active umpires committee; **Ryan Ahearne, Chloe Walker, Louise Monger, HyAnh Nguyen** for all their hard work, passion, commitment and dedication to RNA team white.

COACHING REPORT

The 2025 representative season was another exceptional highlight for RNA. Our coaching teams demonstrated outstanding leadership, professionalism, and commitment, driving impressive performances across all divisions. Congratulations to all coaches, managers, and athletes for their collective effort, teamwork, and results that continue to uphold RNA's reputation for excellence.

State Titles and Metro League Results

- 12 Years: Gabrielle Brennan & Bella Taper (DBD) – 10th place
- 13 Years: Rhiannon Hicks (South Eastern) & Leanne Di Rosa (DBD) – 13th place
- 14 Years: Brianna Tier (DBD) & Mojela Baker-Khamphan (DBD) – Champions (Back-to-Back Winners)
- 15 Years: Ashleigh Renton & Leah Howarth (RR) – 4th place
- 17 Years: Jenny Morrissey (KRB) & Hinekura Pitman – Runner-up
- Metro 1: Belinda Madden (MRSL) – 7th place
- Metro 2: Jenny Morrissey (KRB) & Hinekura Pitman – 5th place
- Metro 3: Nicole Deguara (MRSL) – Champions
- Metro 4: Leeanne Michaelson (DBD) – Champions

Special commendation is extended to our 14 Years team coaches, who achieved back-to-back championship titles. Equally deserving of recognition is Metro 3, whose championship win underscores the quality, depth, and strategic development within our Metro League program. Congratulations also to Metro 4 for securing another championship title, reinforcing RNA's strength across multiple divisions.

The dedication and professionalism demonstrated by all teams continue to raise the benchmark for coaching excellence at RNA.

Our Development Team coaches have been instrumental in guiding the next generation of athletes, focusing on skill development, teamwork, and game understanding. Their leadership has created a strong foundation for future representative success and strengthened RNA's development pathway.

- 12 Years: Vanessa Abrahams (Maccabi)
- 13 Years: Zara McLellan
- 14 Years: Nicole Hahn (DBD)

The Development League remains a cornerstone of RNA's player pathway, offering invaluable opportunities for emerging athletes to refine their skills, gain experience, and prepare for higher-level competition.

11 Years Development Program

11 Years Development Program, designed for athletes turning 11 during the current season. This program focuses on building fundamental netball skills such as footwork, ball handling, and strategic play, while introducing players to representative-style training. Sessions are delivered by experienced coaches, including members of RNA's current representative coaching team.

Participants are selected through talent identification or club nomination and engage in targeted sessions that enhance fitness, skill application, and game awareness. These skills are further developed through gameplay and carnival participation, forming a clear pathway toward future representative opportunities.

11 Years Development Coaches:

- Aimee Blackmore
- April Chappell
- Freya Buckett
- Lily Ennis
- Nicole Deguara
- Belinda Madden

This program continues RNA's proud tradition of fostering early talent and building the foundation for long-term player and coach development.

RNA extends sincere thanks to all coaches, managers, clubs, and volunteers for their exceptional contribution throughout the 2025 season. Your dedication, professionalism, and passion continue to make RNA a leader in netball development, both on and off the court.

We look forward to another year of growth, success, and opportunity in 2026.

RANDWICK NETBALL ASSOCIATION

JUNIOR REPRESENTATIVE PROGRAM

Randwick has had a fantastic Junior Representative season in 2025.

The season began in September 2024 for 12s, 13s and 14s. They had two phases, before selecting a squad for each age group to begin training sessions with their coaches, ahead of the Christmas break, and final phase trials and selections in February 2025.

11s Development also had their first experience in Representative netball in November 2024, with Monday night training sessions, ahead of final selections in March 2025.

In March 2025, we lost our esteemed coach, colleague, mentor, and friend Donna Johanson. She was a hugely influential and loved member of the representative family at Randwick Netball Association, and at her club, Double Bay Diamonds. She was to co-coach 12 yrs Reps 2025, with Gabby Donato. Donna was a devoted coach and her love for the game and her commitment to fostering and guiding junior players was exceptional. Donna will forever be in our hearts.

12s, 13s and 14s Representative teams trained every Tuesday and Thursday night, with a combination of fitness and skills, with Bec Waugh and Steve Blacker on Tuesdays, and team skills-based training on Thursdays. They attended five carnivals in the lead up to Junior State Titles 2025: Penrith, Camden, Liverpool, Baulkham Hills, and Campbelltown. These carnivals provide an opportunity for coaches and players to hone their skills, strategy and team cohesion ahead of Junior State Titles.

Our coaches for our Representative teams continually showed their commitment and care for their players throughout the season and at Junior State Titles. The season culminated in JSTs which were hosted by Baulkham Hills Netball Association 5-7, July 2025.

12s Reps: Gabby Donato returned to Junior Rep coaching, taking the 12s Rep team, with Bella Taper as her Assistant Coach. Our 12s finished in 10th place at JSTs, a wonderful effort and result for the players and the coaches.

13s Reps: Rhiannon Hicks and Leanne DiRosa returned to RNA in 2025 to coach the 13s, developing a strong and positive team environment heading into JSTs. The team's commitment and determination saw them finish in 12th place.

14s Reps: Brianna Tier and Mojela Baker-Khampan also returned to RNA in 2025, coaching the 14s Rep team to their 2nd JSTs win and 'Blue patch' for RNA. An amazing achievement by the players and their coaches. Congratulations to all our representative teams and coaches on an outstanding year.

Our 12s, 13s and 14s Development teams trained every Tuesday evening, with fitness and skills. They attended 3 carnivals in 2025 – Penrith, Liverpool and Campbelltown. They also attended an invitational mini carnival at St George, which was a great success. Thanks to Vanessa Abrahams (12s Dev) Zara McLellan (13s Dev) and Nicole Hahn (14s Dev) who have done a fantastic job with our teams this season.

All the Representative and Development teams have a Team Manager, who play a vital role in the organisation of the team, fundraising, and support of the coaches. Thank you to Tanya Coleman (12s Reps) Nicole Winder(12s Dev), Cass Jowett (13s Rep) Shay Deguara (13s Dev), Natalie Giles (14s Rep) Jessie Sharpe and Anne-Lee Hakkenes (14s Dev). RNA is grateful for their time and efforts.

Belinda Madden, Nicole Deguara, Aimee Blackmore, Frey Duckett, Lily Ennis and April Chappell expertly led our 11s Development program. The girls loved their coaches and enjoyed training on a Monday evening at Heffron. The 11s played in the Liverpool Development carnival on 1st June, the Penrith 11s Development Carnival on 15th June and their final carnival was Campbelltown with all our junior representative teams.

Thank you to all the parents for the ongoing support of their daughters and the Junior Representative program at RNA. With such depth of talent and commitment in our juniors, we are looking forward to another fantastic year of training and competition in 2025.

A Weekend of Triumph and Randwick Pride:
The Senior State Titles represent the pinnacle of grassroots netball in New South Wales — and this year's tournament at the State Netball Centre was nothing short of extraordinary for Randwick Netball Association. As associations from across the state came together to celebrate our sport and compete for the honour of being crowned State Champions, Randwick stood tall among the very best.
We were proudly represented by two exceptional teams — our Under 17s and Under 15s . The jade and white has never been worn with more pride, passion, or purpose than it was across this unforgettable weekend.
Our U15 team, lead by head coach Ashley Renton and assistant coach Leah Howarth, showed great determination and resilience, after losing a player to a serious injury, to finish in 4th place.
Our U17 team, coached by Jenny Morrissey and Hinekura Pitman, were pipped to first place by Baulkham Hills, however showed great class and courage to come runners up in a very tight contest - an incredible performance and another patch for our wall!
Many thanks to Emma Ryan, Charlotte Ryan, Debbie Ennis and Lily Ennis for their impeccable manager and primary carer duties.

We had many players who were talent identified by Netball NSW from our U15 and U17 teams and were invited to attend a training day at Netball Central.
U15:
Marli Mayne, Cobi Ryan Last, Eva Ryall
*Sosefina Taukamo and Nessa Ingrey were acknowledged for their performance
U17:
Andea Wilson, Renae Richardson, Sophie Kleindyk, Mila Hall, Molly Stephen

Mila Hall and Marli Mayne were also successful in being selected for the NSW Emerging Talent team, which is an amazing achievement - Good lucks girls!

These results speak volumes about the calibre of athletes we are developing at Randwick and the strength of our representative program. But the true story of the weekend went far beyond the scoreboard. What defined our teams was not just their success, but how they achieved it — through determination that never faltered, courage under pressure, and a spirit that is uniquely Randwick. We watched our girls lift each other through every challenge, celebrate every victory with humility, and represent our association with integrity and heart.
These young women embodied everything we value at Randwick Netball: resilience, teamwork, sportsmanship, and connection. They showed that true success is measured not only in medals, but in the character built on court and the bonds forged between teammates. Our umpires represented Randwick with professionalism and pride. And our parents provided the love, logistics, and encouragement that fuelled every moment of success.
We also extend heartfelt thanks to our wonderful sponsors and the Randwick community, whose support filled the stands and hearts of our athletes. The cheers echoing across the courts reminded our players that they were never alone — they were part of a family that believes in them unconditionally. The collective effort, passion, and care that define our community created an environment where our athletes could truly shine.
To our Under 17s and Under 15s — you have made us incredibly proud. You competed at the highest level, represented Randwick with distinction, and inspired the next generation of players who will follow in your footsteps.
This weekend was more than a competition — it was a celebration of who we are. Excellence. Community. Pride.
That's what it means to wear the jade and white

RANDWICK NETBALL ASSOCIATION

METRO LEAGUE

RNA had another successful year in Metro League where we had four teams in the competition in 2025. We had teams in Division 1, Division 2, Division 4 and in the Development division. Once again we had over 100 girls try out for a place in one of our teams.

Team 1 , coached by Belinda Madden and managed by Joe Cignetti, faced some stiff competition but placed 7th overall to cement their position in Division 1 for 2026.

Team 2, coached by Jenny Morrissey and Hinekura Pitman and managed by Tanya Coleman, narrowly missed out on making the finals series this year and finished in 5th place, confirming the teams position in Division 2 for 2026. Team 2 were also winners of the Suncorp Spirit Award nominated by their peers in Division 2. This award recognizes teams that have consistently demonstrated outstanding sportsmanship, teamwork, and a positive attitude both on and off the court.

Team 3, coached by Nicole DeGuara and managed by Debbie Ennis and Rachel Chandler were the minor premiers in Division 4 having only lost 1 game all season. They entered the finals as clear favourites and did not disappoint, beating archrivals Ku-Ring-Gai convincingly (57-39) in the Grand Final to become Division 4 champions - an incredible effort that ensured promotion to Division 3 in 2026.

This means we will now be the ONLY association in NSW to have a Metro League team in Division 1, 2, 3 and Development which is an amazing achievement and testament to the players and official's tenacity and talent.

Lastly, Team 4, our metro development team coached by Leeanne Michaelson and managed by Olivia Wright and Tanya Sgouras, once again took out the Development series and became champions after a thrilling Grand Final win (50-41) against Illawarra. Illawarra had pretty much led the competition the whole way but were no match for our development team on Grand Final Day!

We were the only association to have TWO Metro League championship winning teams once again, repeating the success of 2024. Well done to all!

Thank you to the coaches, players, officials and supporters who make the huge effort to head out to Netball Central every week to support our Metro League teams! I would also like to thank those parents and supporters who completed the Bench Official course in 2025 and everyone who helped at metro league games - we cannot run metro league without you and are very grateful for your help and support.

SUMMER SERIES

RNA had an incredibly successful Court Craft Summer series in 2024 winning both Division 1 and Division 3.
Team 1, coached by Jenny Morrissey and managed by Tanya Coleman, were clear winners in a first past the post Division 1.

Team 2, coached by Nicole DeGuara and managed by Debbie Ennis, were also clear winners of Division 3.

Team 3, coached by Leeanne Michaelson and managed by Elaine Charles, finished 9th in Division 4. This was the first foray into senior opens representative level for many of our U15 girls and as such, they did very well in a highly competitive environment.

This year we have four teams playing in the 2025 Court Craft Summer series with teams in Division 1, Division 2, Division 5 and in 17 years Division 1.
Team 1 is being coached by Julie Ring and managed by Jenny Morrissey.
Team 2 is being coached by Nicole DeGuara and managed by Debbie Ennis.
Team 3 is being coached by Jenny Morrissey and managed by Tanya Coleman.
Team 4 is being coached by Leeanne Michaelson and managed by Tanya Sgouras. This team comprises many of our U14 championship winning junior state titles team and some of our U15 team. They have been placed in a very strong division above their age range. This is the first time players turning 14 have been allowed to play in this competition, which is very exciting!

We wish all our teams the very best of luck in the competition.

Summer Court Craft Team 1 2025
Victoria Aoake, Jordan Bedingfield, Caitlin Brady, Amrah Connor, Shawnee Driscoll, Eva Griffith, Amelia Kirgan, Whitney Mueller, Shannon Priestly, Alicia Singh, Danielle Spitty

RANDWICK NETBALL ASSOCIATION

UTS RANDWICK SPARKS

The UTS Randwick Sparks Premier League continue to be a vital part of the Randwick Netball Association, providing athletes with a complete and seamless elite netball pathway — from grassroots participation through to the Netball NSW Premier League and beyond.

In 2025, the Sparks fielded two outstanding teams in the Opens and Under 23s divisions of the Premier League competition. Both teams enjoyed exceptional seasons, with the Under 23s finishing 3rd and the Opens finishing 5th. These results are a testament to the dedication and commitment of our players, coaches, and support staff, as well as the strength of our development programs across the Association.

Player Achievements

Nevaeh Matenga and Sophia Martinussen represented NSW, while Asha Hawkins represented the ACT at the 19 and Under Nationals. NSW won the title, with Nevaeh named Most Valuable Player of the grand final.

Nevaeh Matenga, Hope White, and Sophia Martinussen were selected in the National 19 and Under Squad.

Nevaeh Matenga, Monika 'Otai, and Hope White were selected in the Australian 21 and Under Squad, with Hope representing Australia at the World Youth Cup in Gibraltar, where the team claimed the title.

Tierrah Miller and Alison Tucker-Munro represented the Australian Black Swans Team as player and head coach, respectively.

Nevaeh Matenga, Sophia Martinussen, and Mia Baggett were part of the Swifts Academy, while Ashley Finegan and Jamie Podmore-Taylor continued to develop within the GIANTS Academy.

Monika 'Otai and Aimee Landrigan were training partners for the GIANTS, while Hope White was a contracted player. All three athletes made their Suncorp Super Netball debuts with the GIANTS in 2025.

New Sparks debutants included Tierrah Miller, Ashlen Morelli, Whitney Mueller, Sophia Martinussen, Hope White, Ella Smith, Amrah Connor, and Marene Greyvenstein.

Julie Ring joined the Opens team as Assistant Coach, bringing experience from her time coaching Randwick's Under 15 Representative Team.

Development and Pathway Programs

Rep Ready Clinics – preparing athletes for representative selection through skill-specific and performance-focused training.

Spark Your Potential – targeted at players aged 15–23, providing Randwick Representative athletes with elite coaching opportunities.

Positional Masterclass – specialised sessions for players aged 11–17, focusing on positional expertise and advanced netball techniques.

UTS Randwick School Holiday Clinics – for players aged 6–16, designed to build skills and inspire participation.

Ignite Your Spark – a four-week clinic featuring GIANTS players Amy Sligar, Monika 'Otai, and Hope White, with Sparks Opens players as guest coaches.

Coach the Coach – a series of programs aimed at developing coaches across all levels, from beginner to elite.

Sparks Academy

The Sparks Academy was another major highlight of the year, providing high-quality training and development opportunities for emerging athletes. The program included a successful weekend in Canberra and participation in the inaugural Premier League Academy Round Robin, where our athletes excelled both on and off the court.

Academy Coaches Leanne Michaelson and Hinekura Pitman continued their coaching journeys, leading Randwick Metro Teams, with Hinekura also coaching the Randwick Under 17s, who finished second at the Netball NSW State Championships.

Additionally, the Coach the Coach program, delivered by Ali Tucker; an elite coach and current head coach of the Australian Black Swans; was extremely well attended. We are fortunate to have such experienced and passionate coaches contributing to the ongoing development of our players, coaches, and umpires across the Association.

The UTS Randwick Sparks continue to play a crucial role in ensuring that the Randwick Netball Association provides a complete and sustainable pathway for athletes—from grassroots to elite levels. We are incredibly proud of our Sparks players, coaches, and staff for another outstanding year, representing Randwick with passion, professionalism, and pride.

SERVICE AND RECOGNITION AWARDS

The Marie Kelly Club of the Year
DOUBLE BAY DIAMONDS

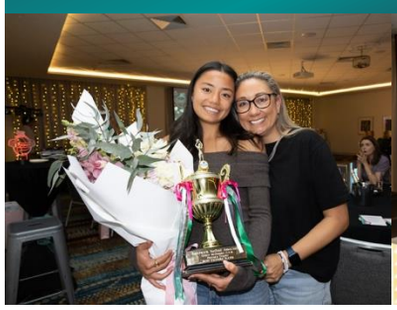

The President's Medal
LILY ENNIS

The Recognition and Awards Night was held on Friday 26th September at The Juniors, Maroubra. The master of ceremony was by Vince De Luca OAM. The evening was an opportunity to recognise the many volunteers, officials and players, who give their time so willingly throughout the season. It was a great to see so many turn out to celebrate this years winners.
Double Bay Diamonds was awarded Club of the Year, recognising its contribution to RNA: providing coaches, umpires and players for our representative program, full attendance at meetings, volunteering for RNA sub committees, participating in all divisions of the competition and consistently making finals.

FREDDIE SCHNEIDEMAN

When a young Freddie Schneideman first stepped onto the courts at Heffron Park as a Randwick Netball Association junior, few could have predicted the extraordinary heights she would reach in such a short time. Yet her meteoric rise from local club player to Australian representative embodies everything our association stands for – nurturing talent, fostering dedication, and providing a pathway for our athletes to achieve their dreams.

A Golden Year

2024 proved to be a breakthrough year for our home-grown star. After being named MVP at the 19U National Netball Championships where NSW claimed victory, Freddie earned her first Training Partner contract with the NSW Swifts. But the highlight came on 6 July 2025, when she fulfilled a lifelong dream by making her Suncorp Super Netball debut for the Swifts in a sold-out Round 13 clash against the Sunshine Coast Lightning at Ken Rosewall Arena.

"To run on the court in a Swifts dress and to get my own Club number was the fulfilment of a dream and a moment that I will never forget," Freddie reflected. "But now that I've had a taste, I am hungry for more."

That hunger saw her contribute to the Swifts' Finals Series campaign before jetting off to Gibraltar in September, where she helped Australia's Youth team claim Gold at the Netball World Youth Cup – Australia's first victory at the tournament in over a decade.

Building on Success

Freddie's stellar performances earned her a recommitment as Training Partner for the 2026 season, and most recently, selection in the Australian 21U Team for the 2025 Netball World Youth Cup in Gibraltar. She was also named joint winner of the 2025 Super Netball Reserves Player of the Year award – a testament to her consistency and impact at the elite level.

Swifts Head Coach Briony Akle has been effusive in her praise: "What excites me most about her is that she has a very high ceiling and we have only seen the start of what she can do. She's a fierce competitor with a great netball brain."

The Randwick Foundation

Freddie's success is a source of immense pride for Randwick Netball Association. Her club journey all through Double Bay Diamonds, club under the watchful eye of Gaby Donato and the RNA junior rep program, before progressing through the Netball NSW Pathway and QBE Swifts Academy, demonstrates the quality of coaching, competition, and community support available right here at Heffron Park.

As a specialist goal defence, Freddie has developed her game training alongside and competing against the best players in international netball, including defending against the likes of Grace Nweke and Helen Housby, and learning from Sarah Klau and Maddy Turner.

"I love being part of the Swifts and still pinch myself every time I get to defend alongside the likes of Sarah Klau and Maddy Turner," Freddie said. "I am still in the early stages of my netball journey and I can't think of a better learning environment."

Beyond the Court

At just 20 years of age, Freddie is also excelling academically, studying for a Bachelor of Sport and Exercise Science at the University of Technology Sydney with a particular interest in Sport Psychology. She holds a UTS Elite Athlete Program Scholarship, demonstrating her commitment to both sporting and educational excellence.

In her downtime, Freddie enjoys outdoor healthy living, cooking, and travel – maintaining the balanced approach to life that has underpinned her success on court.

An Inspiration to All

Freddie's achievements serve as inspiration for every young athlete who trains at Heffron Park. Her journey proves that with talent, dedication, and the right support system, the pathway from local club netball to the international stage is very much a reality.

As Netball NSW General Manager of Performance and Pathways, Mardi Aplin, noted: "She is a formidable defence who reads the game perfectly. After an amazing performance in 2024 at the National Netball tournament she was awarded player of the tournament and has always been nationally identified as an underage athlete."

Freddie remains humble about her accomplishments, acknowledging the support she's received along the way: "My teammates and coaches in the QBE Swifts Academy side last year were also a brilliant support and I feel very humble and grateful for this opportunity."

As Freddie continues her journey to the 2025 World Youth Cup in Gibraltar and beyond, all of us at Randwick Netball Association will be cheering her on with pride. She may now train with the Swifts and represent Australia, but she'll always be one of our own – a Randwick junior who started right here at Heffron Park.

Go Freddie!

LEGENDS NIGHT & PATCH PRESENTATION

CHERYL MCCORMACK SUE KENNY MARCIA ELLA DUNCAN CHELSEA PITMAN AMY PARMENTER GABI SIMPSON

RNA Legends Night was truly a night to remember as we celebrated our homegrown Aussie Diamond legends - past, present, and future.

Hosted by former Australian Diamond Keeley Devery, the evening was both inspiring and full of heart. A highlight of the night was the presentation of our young representative players' State Age patches, proudly awarded by our legends themselves.

Keeley's professionalism, humour, and elite playing experience brought a special depth to the evening. Her Q&A sessions with the legends and their parents were insightful, motivating, and deeply moving, as they shared memories, reflected on their journeys, and spoke about the powerful role Randwick Netball Association played in shaping their pathways to the elite level.
It was wonderful to see our legends reconnect, reminiscing about their days on court together - reminding us that the lifelong friendships built through netball are often even greater than the game itself.
Each of these legends is now immortalised at Heffron Park, with their names proudly displayed on our Walk of Fame goal posts.

A heartfelt thank you to our event sponsor, NG Farah, for helping make this unforgettable night possible.

RANDWICK NETBALL ASSOCIATION

TREASURERS REPORT

The 2024/2025 season was a standout year for Randwick Netball Association's representative program, marked by exceptional performances across all age groups and record participation in our local competitions. Our Spring, Autumn, and Winter competitions continued to grow, and our NetSetGO Skills and Activities program achieved its highest-ever registration numbers — a testament to the strength of our community and the continued growth of netball in our region.

While participation and on-court success were at an all-time high, the year presented some anticipated financial challenges. Our total income for the period was $694,063.69, with expenditure of $774,882.40, resulting in a deficit of $80,818.71. This outcome was largely the result of a deliberate decision made by the Executive Committee at the beginning of the year not to increase competition fees, in order to keep netball affordable for our members despite rising costs. Additionally, the association absorbed the PlayHQ processing fees within our competition fees, at a cost of more than $8,000. A further contributing factor was the strategic investment of approximately $140,000 to engage professional consultants supporting our Executive Team in strategic planning and operational excellence. This expertise will enhance our governance, event management, and long-term planning capabilities, ensuring Randwick Netball Association continues to meet the needs of our growing membership base.

Looking ahead to the 2025/2026 financial year, we are implementing measures to strengthen our financial position while maintaining high-quality programs and facilities. We propose an increase in the Winter Competition fee, which will include an allocation to cover the PlayHQ transaction fee (2.03%).
Fees for the Spring and Autumn competitions will remain unchanged, with profits from these seasons and sponsorship continuing to support our Representative Program and player development pathways.
With these adjustments, Randwick Netball Association is well-positioned to continue delivering exceptional netball experiences while ensuring long-term financial sustainability

Cheryl

The Association continues to outsource our accounting tasks to maintain transparency of our financial operations and results.
