THIS WEEK'S MATCH DAY SPONSOR

Hello Randwick Family,

We are right in the thick of our 2026 Winter Season now, the courts at Heffron Park full every Saturday, and there is so much to be proud of across our Association. With Junior State Titles almost upon us, this week belongs to our representative families — so let me start there.

Junior State Titles — Our Reps Ready to Shine

What a way to finish our lead-in. On Sunday our representative teams played their very last carnival before Junior State Titles — and what a day it was. Our 12s and 14s both won their division, and our 13s had a wonderful day on court. Three teams, beautifully prepared, peaking at exactly the right time.

These results are no accident. They are built on the work our players have put in all season, and on the unwavering support of our coaches, team managers and families week after week. As our 12s, 13s and 14s step onto the State stage, we could not be prouder of them — and we know they will bring their A game when it counts.

Junior State Titles are on 4–6 July at Campbelltown Netball Association. If you can, come along and get behind our teams — there is nothing like a Randwick sideline in full voice. Pegasus, rising.

Supporters' Merch — Gear Up for State Titles

There is no better way to back our girls than in full Randwick colours. Our Supporters' Merch is on sale now — kit out the whole family before we head to Campbelltown:

- Foldable umbrella — \$30
- Golf umbrella — \$40
- Bucket hat — \$10
- Beanie & scarf set — \$45 (or \$27 each)
- Grey hoodie — \$30
- Baseball cap — \$25

Visit our merch stall at Heffron Park this Saturday to grab yours, then point the car towards Campbelltown on 4–6 July and come cheer our 12s, 13s and 14s on. Let's give them the loudest, proudest sideline in the State — and make sure everyone there knows the Randwick Family has arrived.

Coming Soon — Gatorade ‘Fuel Tomorrow’ for Our Coaches

Now for something I have been bursting to share. Off the back of our Sparks home game, RNA has secured a brand-new partnership with Gatorade’s Fuel Tomorrow programme — built specifically to support community coaching right across ClubLand.

This is a wonderful step forward for coaching at Randwick. The partnership will bring a free, research-backed coaching resource to every coach across all of our affiliated clubs — funding a coaching-development stream I have wanted to bring to you for a long time, at no cost to your club.

We are finalising the details with Gatorade now, and there is plenty more to come — so watch this space. For now, get excited: this is a genuine game-changer for our coaches, and I cannot wait to share the full picture with every club very soon.

Three cheers for our opponents. Three cheers for our umpires. One cheer for us. And a handshake at the end.

Kindness Wins.
