

HART SENIOR STATE TITLES · 6-8 JUNE 2026

RANDWICK NETBALL

The Weekly — Members' Newsletter

Special Edition · HART Senior State Titles · 2026 Winter Season

Hello Randwick Family,

It is one of the great weekends on the netball calendar, and this year our Pegasus rises at the State Titles. Whether you are courtside in Penrith or Kellyville or cheering from home, this is a moment to be Randwick proud. To every player pulling on our colours, to every parent, coach, official and supporter making the trip — thank you for being part of the journey.

Two Hubs, One Proud Tradition — The 2026 HART Senior State Titles

Two major netball hubs across Greater Sydney will host the HART Senior State Titles 2026, continuing the proud tradition of one of the state's biggest grassroots sporting events.

"Netball NSW is delighted to partner with two local governments and two netball associations to deliver the annual State Titles. Since 1969 this event has grown into one of the largest sport competitions and stands as a true celebration of grassroots sport and the Netball NSW pathway." — Tracey Scott, CEO, Netball NSW

The HART Senior State Titles will take place from Saturday 6 to Monday 8 June 2026, co-hosted by the Baulkham Hills Shire Netball Association and the Penrith District Netball Association. Matches will be staged at Kellyville Netball Courts in The Hills Shire Council area and at Jamison Park Netball Complex in the Penrith City Council area.

This year, more than 3,500 registered players and officials competed across the 15U, 17U and Opens divisions, drawing around 7,000 spectators across the three days. The event also showcased the growth of men's netball, with six male 17U teams competing and five All Abilities teams in the State Challenge.

"Over 10,000 participants, families and visitors swell the local area, which is really valuable not just for the economy, but for the whole netball ecosystem. Local businesses, restaurants and accommodation benefit from increased foot traffic, and local juniors get to see high-level athletes in action, inspiring greater participation in our sport." — Stacy Harding, General Manager of Competitions, Netball NSW

Beyond the action on court, the State Titles deliver a significant tourism and economic boost for the host regions, filling hotels, cafes and retail centres, and fostering strong community connections between volunteers, businesses and councils across the state.

Our Teams at the State Titles — Chasing the Blue Patch

This year we proudly send four teams into the Championship Division — Opens Division 1, 17U Division 1, 15U Division 1 and Males Division 1 — all competing at Penrith District Netball Association (Jamison Park). Every one of these teams will be chasing the blue patch. They are prepared well, they are playing well, and we are all wishing them the very best of luck across the weekend.

We also have an invitational team in Opens Division 2 at Baulkham Hills Shire Netball Association (Kellyville) — a young side with the opportunity to experience their very first State Title. We are excited to see what lies ahead for this team.
