May 2026

Let's make 2026 an incredible year. See you at Heffron Park.

A Message from the President

This weekend is one of the most important on our calendar — our **Pink Round for Mother's Day**, and the fifth year we have come together as a community to raise funds for the **Women's Cancer Unit at the Royal Hospital for Women**.

Five years. When we started this round, we did it because we knew — every one of us knew — someone whose life had been touched by cancer. A mother, a grandmother, a sister, an aunt, a coach, a teammate, a friend. Five years on, that has not changed. If anything, the names on our hearts have grown. Many of our own Randwick women have walked this road, some are walking it now, and others walk beside the loved ones they have lost.

That is why we wear pink. That is why we play loudly, cheer harder, and fill Heffron Park with colour this Saturday. Every goal, every centre pass, every hug on the sideline this weekend is dedicated to the women in our lives — the ones we celebrate, the ones we miss, and the ones still fighting.

This year, please come and visit us at the **Play Like a Girl Marquee**, where you'll find our full Pink Round range:

- Pink Hoodies
- Pink Hats
- Pink Netballs
- **NEW THIS YEAR — RNA Pink Drink Bottles**
- **NEW THIS YEAR — RNA Pink Socks**

New for 2026 — RNA Pink Drink Bottles and Pink Socks, available at the Marquee this Saturday.

\$5.00 from every single purchase goes directly to the Women's Cancer Unit at the Royal Hospital for Women. Buy a hoodie for yourself, a bottle for your daughter, a pair of socks for your bestie's birthday — every dollar matters and every purchase is a tribute.

Bring your mums, your nans, your aunties and your friends. Wear pink. Play hard. Be kind. And remember why we are here.

Our girls in pink at Heffron — Saturday is going to be magic.

Season Opening — A Day to Remember

What a way to start the 2026 Winter Season! The weather was glorious, Heffron Park was buzzing, and our girls marched behind their club flags with more pride than I have ever seen.

Congratulations to our **March Past Winners — Marrickville RSL** — who set the tone for the entire day. The band led us in with the kind of prestige that gave every member goosebumps, and the smile on every player's face as they walked out behind their club colours is something I will carry with me all season.

You all looked like you had stepped straight off the front page of *Vogue*. Honestly. Heads up, shoulders back, club flags flying — pure Randwick.

E-Scoring — A Roaring Success

Round 1 and you'd be forgiven for thinking we'd been e-scoring for years. Honestly, what a debut.

A massive thank you to every team manager, coach, scorer and parent who got on board and made it happen. The results were live, the scores were being shouted across every court at Heffron, and our coaches now have something powerful in their hands — game data they can take into training to help every player and every team improve.

E-Scoring has exceeded what we ever thought it could be in Round 1, and that is entirely down to **you** embracing it. Thank you for trusting the process. Keep going — it only gets easier from here.

Thank You to Our Wonderful Sponsors

We could not do what we do without you.

Your continued support of Randwick Netball makes every season, every round and every initiative — including our Pink Round — possible. From all of us, thank you.

Kindness Wins.

See you on Saturday, in pink.

Jen, President Randwick Netball
