The RNA Executive Committee continue to demonstrate their contribution, dedication and commitment to delivering a high quality community competition and Representative Program. Energy levels were greatly assisted with the wonderful Clubs Bake Sale each week.

During the off-season, the committee work tirelessly to close out one season while simultaneously preparing for the next—managing PlayHQ registrations, coordinating clubhouse and facility preparations, and overseeing the lengthy representative selection process.

Once again the committee successfully delivered another fantastic Spring and Summer competition, with a special 'shout out' to Tanya Coleman for her organisation and exceptional effort and which was duly appreciated and acknowledged when she received the 2026 NSW Senior Volunteer of the Year. Congratulations Tanya!

Throughout the competition months, members continued to volunteer their time and expertise to ensure the smooth delivery of our all-age Saturday competitions for thousands of players. The cooperation and wholesale effort of our Clubs and the Executive was key to another successful season.

VALE FRAN REYNOLDS OAM

We were deeply saddened by the passing of Fran Reynolds OAM on 19 July, aged 86. Fran was the heart and soul of this Association for more than four decades — a Life Member of Randwick Netball Association and the Matraville Tigers, a past Vice President and Patron, coach, selector, representative team manager and Executive Committee member. Her service was recognised with the Australian Sports Medal, the Anne Clark BEM Service Award and the Medal of the Order of Australia. ***To all of us she was simply Our Fran.*** Our thoughts remain with her family.

PRESIDENTS REPORT

2026 has been a year of growth, achievement and community spirit. Our UTS Randwick Sparks U23 team were crowned IMB Bank Premier League Premiers, we opened a new amenities block at Heffron Park, and launched a coaching partnership with Gatorade. Through it all, our members continued to show the kindness and generosity that define Randwick. RNA remains the fourth largest association in NSW. All our achievements would not be possible without the volunteers, clubs, coaches, umpires, families and partners who give so much of themselves to our Association.

COMPETITIONS AND OUR HOME AT HEFFRON PARK

The 2026 Winter Season opened on Saturday 2 May with a Parade of Clubs and an official opening by Mayor Dylan Parker. Congratulations to Marrickville RSL, our March Past winners. We inducted Australian Diamond Gabi Simpson, one of our own, into the RNA Hall of Fame.

Every competition moved to E-Scoring through PlayHQ, giving families live scores and giving coaches game data to take into training. We thank Tanya Coleman for leading the rollout.

NetSetGo. Saturday morning sessions were added to the existing Tuesday program, with three games running across the thirds so our youngest players get more touches and more fun.

Spring Super Shot Comp. Our social Wednesday night competition attracted more than 130 teams, with Clarity Pool Management stepping up as sponsor for 2026.

Grand Final Day. The Winter Season concluded on Saturday 19 September. Congratulations to every team that reached a grand final, and to the coaches, managers and families behind them.

FACILITIES

Working closely with Randwick City Council, we have continued to make Heffron Park a place we all enjoy coming to.

New amenities block. Officially opened on 25 July by Mayor Dylan Parker, the new block provides a large change room, female-dedicated bathrooms, an accessible bathroom, five unisex bathrooms, an umpires' bathroom and storage, giving women and girls a safe, welcoming place to train and compete.

Australian Diamonds Walk of Fame. The Walk of Fame was upgraded with new surface graphics celebrating our Diamonds, so every little girl who walks past can dream big and know that anything is possible.

Courts and warm-up areas. Council completed new run-off areas behind Courts A, B and C and at the end of Court 13, and additional warm-up goal posts were installed across the park.

Grants. Over the past four years we have obtained grants for new equipment, three water stations, the Welcome Garden at the front of the Clubhouse and the President's Trees in the middle of the park. These build on earlier improvements including seating, landscaping, signage, the golf cart and the outdoor stadium.

REPRESENTATIVE PROGRAMME AND PATHWAY

Our pathway now runs in one connected line from **NetSetGo - Junior club competition - Representative Program - Metro League - UTS Randwick Sparks Academy -Premier League**. In 2026, 14 representative teams across junior, senior and metro divisions proudly wore the Randwick colours. All of our senior representative teams finished in top 10 and our 15U group now holds two State Titles and a runner-up.

Affordability and athlete support

Sponsorship now allows our representative players to participate for $300, so cost is never the reason a girl misses out.

Our partners fund the high-performance program around our athletes, including FRWRD High Performance training, strength and conditioning and Tuesday night fitness sessions, KaMana Community athlete wellbeing workshops and indoor training facilities.

We introduced mental health and women's health workshops for our Representative Program, which will extend to ClubLand in 2027.

Maddi Proud and Taylor Fraser joined our Senior Program as coaches.

Each year our representative players give back through voluntary hours at NetSetGo, coaching workshops, BBQ, scoring and Saturday park set up.

UTS Randwick Sparks

Our Sparks played their first home game in over a decade before a sell-out crowd, where our junior representative players proudly received their patches from the Premier League athletes they look up to. As a member of the UTS Randwick Sparks Board, I am proud of how closely the Association and the Sparks now work together.
Congratulations to U23 coaches Kaz, Jo and Alice, and Opens coaches Ali, Julie and April.

COACHING, UMPIRING AND DEVELOPMENT

Strong coaches keep players in our sport. In 2026 we made the largest investment in coach development in the Association's history, at no cost to our clubs.

Gatorade Fuel Tomorrow

Our new partnership with Gatorade's Fuel Tomorrow program was launched at Heffron Park on 25 July. It gives every coach across our affiliated clubs free access to Coach Hub, a research-backed coaching resource, and funds RNA four programs. Our ambition is for this Randwick program to become a model for associations across NSW.

NSW Swifts

We have built a strong working relationship with the NSW Swifts. Dylan Nexhip, Head Coach of the NSW Swifts, chaired the selection panel for our 2027 representative coaches and is leading their induction program. Swifts coaches and athletes have also presented our on-court clinics.

Umpiring

Our Umpire Pathways program, funded by Community Bank Clovelly, continues to develop the next generation of badged umpires. We thank every umpire who gives their Saturdays to our competitions

COMMUNITY, INCLUSION AND FUNDRAISING –a place for everyone

All Abilities. Our All Abilities program runs every Tuesday afternoon, led by Brianna Tier with our representative players and supported by Linda Baptist and her volunteer crew. In August the Randwick Sparkles finished second at their very first carnival.

Diversity & Inclusion. Our Diversity & Inclusion Committee held its first meetings and surveyed every member through Your Voice Shapes Our Community.

Unity. In May the Association stood together, alongside the Maccabi and Saints Netball Clubs and with the support of Netball NSW, against antisemitism, racism and discrimination in every form. Members wore purple ribbons in memory of Matilda.

First Nations Round. We celebrated our First Nations Round, wearing the First Nations dress designed by Ali Tucker-Munro in 2024.

ANZAC Day. Lily Ennis and Judy Capovilla laid a wreath on behalf of the Association at the Randwick ANZAC Day Dawn Service.

FUNDRAISING WITH HEART

Play Like a Girl. Our fifth annual Pink Round raised over $5,000 for the Women's Cancer Unit at the Royal Hospital for Women.

Crazy Hair & Sock Day. Our day for The Kids' Cancer Project raised $13,047. After six consecutive years as the highest fundraising association in NSW, we finished second this year. We may not have won our seventh patch, but we have lifted the benchmark.

Club bake sale. Introduced four years ago, the bake sale gives every club a fundraising opportunity on its allocated Saturday, with clubs raising close to $2,000 each day.

RNA raffle. Our 2026 raffle raised $6,411, all of which goes back into our netball program.

We also welcomed The Salvation Army to Heffron Park for its Red Shield Appeal.

PARTNERS

Our partners fund our pathway program, our coaching and umpiring development and our community initiatives, which allows us to keep fees low. On behalf of every member, I thank:

Randwick City Council, Gatorade, Dapcor, FDC, Sydney Wyde, Windowline, NGF, Girvan, E-Lab, Generate Property Group, The Seals, Gilbert, APT Roofing, The Juniors, Community Bank Clovelly, Robertson's, YS Physio, People First Bank, Hoops, Clarity Pool Management, Woolworths and Westfield, and our match day partners, including Kingsford Locksmiths & Security, Liquid Promotions, MBM, Express Glass and Pestige Solutions.

GOVERNANCE AND VOLUNTEERS

I want to sincerely thank the thirteen wonderful women of our Executive Committee. Without their support and their time none of this would happen. They are extraordinary women who give up their time and make a huge difference to a wonderful community and support me and I'm grateful to them for taking on my ideas to make us great. I also thank our Club Executives, grading committees, convenors, team managers, scorers and every volunteer who keeps Saturdays running.

Congratulations to our Senior Competition Convenor, **Tanya Coleman**, on being named the Sydney City / Eastern Suburbs Adult Winner at the 2026 NSW Volunteer of the Year Awards. The social competition is hugely popular and raises funds each year for our representative program.

LOOKING AHEAD TO 2027

A CLOSER LOOK

Around the park, what went on in 2026

The Opening Ceremony was a beautiful day, the March Past was lead by our fabulous marching band. We opened the season with a new amenities block, a much needed improvement to the old toilet block. Clubs continue to be the beating heart of our Association; bringing a high standard of netball with sportsmanship to match. Our Mothers Day Pink Round for Sydney Women's Hospital, gives us an opportunity to wear pink from head to toe, raise money and remember all the wonderful women we've lost. Crazy Hair and Sock day is always a fun day, and this year was no exception, the hair was crazy and the socks crazier. It was fabulous to see our grass roots NetSetGo netballers, in their dresses that "they'll grow into", start to feel the fun and exhilaration of playing a team sport. Grand Finals Day was spectacular, we enjoyed the gorgeous weather, the 'nail biter' games, the high quality netball, and overall fun atmosphere. The clubs bake sale is single handily responsible for all our expanding waistlines, the offerings were delicious and a great opportunity for clubs to fundraise. RNA once again supported home grown Aussie Diamond Amy Parmenter in her annual Tye Die Project fundraiser. We welcomed over 10,000 supporters each week; Saturdays at Heffron are opportunity to grab a coffee, something delicious from the BBQ, our wonderful canteen or bake sale and settle down to watch some fantastic netball & have a catch up with old friends and new. The Social Supershot competitions in the off season were fully subscribed and remind us of the joy and fun that netball brings to our community.

COMPETITION REPORT

2026 has been another exciting and rewarding year

The 2026 Winter and Social Competitions have seen growth in participation and continue to play an important role in bringingour netball community together, providing quality netball competitions for players, teams and clubs, and the opportunities for players of different ages, abilities and experience to participate, develop and enjoy the game.

WINTER COMPETITION-Building the next generation

A highlight of the Winter Competition was the introduction of players aged 15 into senior competition. This strengthened the pathway from junior to senior netball, giving younger players opportunities to develop their skills and confidence. Supporting this transition and encouraging players to remain involved are important to the future of our competitions.

The season featured closely contested matches, with Grand Final Day showcasing the determination and commitment of our players and coaches. Congratulations to our grand finalists and premiership winners, and to every team whose effort, resilience and sportsmanship contributed to the season.

Across the Association, boys' participation in competition continued to grow. We are proud to support their netball journey and provide opportunities for players to develop their talent, enjoy the game and feel part of our community.

SOCIAL COMPETITIONS: Growth, fun and community

Our Spring and Summer 2025/26 Competitions reached 175 teams and more than 1,750 participants, demonstrating strong demand for accessible, inclusive and enjoyable netball. These competitions give players opportunities to stay active, build friendships and connect each week.

Super Shot, themed evenings and Halloween activities have helped keep competitions engaging, with Christmas celebrations still to come. We also continued exploring opportunities for mixed and boys' social divisions to broaden participation.

DELIVERING OUR COMPETITIONS

Growth brings practical challenges, including court availability, grading, umpire recruitment, team withdrawals and the administration of increasing team numbers. Addressing these demands requires considerable coordination and teamwork. The use of e-scoring across the Winter and Spring competitions has supported improvements to the competition experience and streamlined administration.

We particularly acknowledge our umpires, whose commitment, experience and willingness to support our growing social competitions are essential to their delivery each week.

KINDNESS AND COMMUNITY

One message remains central to everything we do: **kindness wins**. Encouragement after a mistake, a helping hand and a congratulations to an opponent all contribute to a more supportive sporting environment.

We want every player to leave the court feeling valued, respected and proud of their contribution.

Thank you to our committee, clubs, coaches, team managers, umpires, volunteers, sponsors and families for the time and effort you contribute. Above all, thank you to our players for bringing enthusiasm, determination and friendship to the court.

Our success is reflected in the enjoyment, belonging and respect people experience at RNA. We look forward to building on this season's progress in 2027

NET SET GO

Building confidence, creating connections and inspiring the next generation, one player at a time.

If 2025 was the year our Woolworths NetSetGo program found its wings, 2026 was the year it truly took flight. Randwick Netball Association celebrated record participation, expanded opportunities and a stronger pathway into club competition. Across Come & Play, Skills & Activities and Winter Competition, we welcomed more than 1,000 participants, helping children discover netball, build confidence and make lasting friendships.

Our Come & Play Day on 14 February attracted more than 100 new families, following successful community promotion at Westfield Eastgardens on 1 February. With balloons, flyers and enthusiasm, we introduced families to grassroots netball. This community approach will continue, with the next Woolworths National Come & Play Day scheduled for Saturday, 13 February 2027.

For the first time, our Skills & Activities program ran across all four terms, giving children of the appropriate age and ability the opportunity to develop throughout the year. Term 1 introduced NET Skills & Activities, welcoming beginners into a supportive environment. Terms 2 and 3 progressed to SET, strengthening technique, coordination and game awareness. Term 4 combined SET and GO, preparing players for the next stage of their netball journey.

Participation grew to **239, up from 164 in 2025**. Beyond the numbers, this expansion means more confident players, better preparation for club competition and stronger foundations for our association.

Another first was Game Day Saturdays, introduced in Term 3. Skills & Activities participants experienced modified Saturday competition, discovering the excitement of playing in a team. Their enthusiasm was infectious, and the initiative provided a valuable bridge between learning skills and joining organised competition.

Our Winter Competition welcomed an extraordinary **638 players across 54 teams and 13 clubs**, making 2026 a record year for NetSetGo.

Thank you to Bondi Phoenix, Coogee, Double Bay Diamonds, Maccabi, Mascot, MRSL All Stars, Reddam House, RRNC, Saints, SENC, St Spyridon, St Catherine's and The Juniors. Their commitment reflects the strength of our netball community and the relationships that support its continued growth.

A spectacular Mini Carnival and memorable Gala Day celebrated the season. Watching children progress from tentative beginners to confident teammates was a highlight. Their improvements in skill, teamwork and game awareness showed what can happen when young players receive encouragement and opportunities to participate.

None of these achievements would have been possible without our people and partners. We sincerely thank Woolworths, Westfield Eastgardens and People First Bank for helping us expand opportunities and enrich the participant experience. Their support continues to strengthen grassroots netball.

Our heartfelt thanks also go to Judy Capovilla and our representative players for their generosity and commitment. Special recognition goes to Emilia Tovo, Mackenzie Mollison, Rosie Tovo, Saskia Scott and Sia Goggi, who supported Skills & Activities across all four terms. They contributed well beyond their expected community service hours, demonstrating leadership, maturity and a commitment to younger players. Their involvement captures the spirit of Randwick Netball: experienced players giving back, children finding role models and a community growing through mutual support.

By investing in the quality of every participant's experience, we are building enthusiasm that children can carry into their clubs. These early opportunities to learn, play and connect can support lasting involvement in netball and our community.

We are immensely proud of what we achieved together in 2026. A continuous development pathway, stronger club connections and growing participation have created exciting possibilities for the years ahead. The real success lies in children discovering a love of sport, friendships forming and families finding their place in our community.

We achieved another national A badge accreditation this year, 5 B badges and 19 C badges – 25 total for RNA. CLUB LEVEL

We ran two umpire workshops this year one at beginning of season – rules refresher and one pre finals – game management. In addition to development of umpires nominated to Pathways we have assisted clubs with pre panel sign offs, talent identification and opportunities to develop or review umpires.

Shout out to all the fantastic club convenors developing their umpires and sharing resources to ensure game cover weekly. Also to all our finals umpires this year who did an excellent job and with split schedules and timing changes.

Huge thanks again this year to Eden Schreier for A pool allocations weekly (in addition to mentoring and officiating).

Finally, we have the best umpires committee, and I couldn't do this role without their invaluable skills and support – Chloe Walker, Eden Schreier, HyAnh Nguyen, Louise Monger, Ryan Ahearne and Simone Franklin.

COACHES REPORT

JUNIOR REPRESENTATIVE REPORT

The quality of players continues to grow across all teams and the results show

Randwick's Junior Representative Season began in September 2025, with an extensive three Phase selection process. Phase 3 resulted in three squad trainings with Coaches at Heffron Park. This gave coaches, players and selectors an opportunity to watch the girls in training and game situations.

Final selections were held in February 2026 with the Representative & Development teams selected and ready to get to work. 11s Development also had their first experience in Representative netball in November 2025, with approximately 90 players attending four Monday night training sessions, ahead of further sessions and final selections in March 2026.

Representative teams trained twice weekly. And attended an hours fitness session with Bec Waugh and Steve Blacker, prior to their team skills-based training.

This year we also introduced player 'Wellbeing workshops'. These were delivered by Tarsha Saint (LaunchU) and Allie Smith (Airitout) and were a great addition to the ongoing development of our young players.

The Representative Teams attended five Rep Carnivals – Penrith, Camden, Liverpool, Baulkham Hills and Campbelltown.

The coaches and players use these to develop their combinations and skills ahead of

Junior State Titles, which were hosted by Campbelltown District Netball Association 4-6th July 2026.

A huge thanks must go to our Representative Coaches. They develop, support and encourage our Junior Representative teams throughout the season. Demonstrating passion for netball and commitment to these young players and our association.

12s Reps: Mojela Baker-Khampan/Brianna Tier –2nd

13s Reps: Ashleigh Renton & Charlotte Ryan –9th

14s Reps: Leah Howarth & Lily Ennis– 12th.

Our Development teams trained every Tuesday evening, with fitness and skills. This year the teams attended four carnivals – Penrith, Camden, Baulkham Hills and Liverpool. Thanks to Freya Buckett (12s Dev) Vanessa Abrahams (13s Dev) and Nicole Hahn (14s Dev) who provided an outstanding development program for all players.

RNA is very grateful for the Team Managers for each of our teams. They play a vital role in the organisation of the team, fundraising, and support of the coaches.

Thank you to Alex TeWao(12s Reps) Angie Huber(12s Dev), Emma Ryan(13s Rep) Nicole Winder(13s Dev), Debbie Ennis(14s Rep) Janelle Keksz (14s Dev).

Nicole Deguara led our 11s Development program, with coaches – Belinda Madden, Jessie Sharpe and Pam Brown.

The players developed their skills and enjoyed their first taste of carnivals. RNA hosted our first '11s Development Carnival' on Sun 25th April 2026. The 11s also played in the Liverpool Development carnival and the Penrith 11s Development.

Thank you to all the players for their enthusiasm and commitment to our representative program. Thank you to the parents for their ongoing support, and to the RNA Executive for their unwavering commitment to excellence in the Representative program.

The year started with a large number of players trialling for all the senior teams. Thank you to all the Selectors involved with the Senior Representative program who had a hard job this year choosing our Senior State Titles, Metro and Summer Series teams both for 2026 and looking forward to 2027, with our 2027 15's team chosen and ready to start training.

Senior State Titles

42 players trialled for the 2026 Under 15's team with 12 players chosen to represent RNA at the Senior State Titles. The team was coached by Mia Baggett and Charlie Hawkins, both UTS Randwick Sparks players, who were determined to keep these players at the top of their game and build on the skills they had learnt previously from their State Championship winning performances in 2024 and 2025. Once again, this team delivered a standout performance, being runners up to Liverpool in 2026 after a very close contest.

With the large numbers of girls trialling and the high standard of ability, we were able to form a 15-year Development Team lead by Rebecca Waugh as the coach.

The Opens Team was made up of 11 players, and was coached by Kura Pitman (RRNC), assisted by Jenny Morrissey (KRB) with Debbie Ennis (Mermaids) as manager. The Opens team were very competitive in their division and finished 5th as well – an amazing achievement.

We once again had strong interest in the Under 17's team with 11 players chosen to represent RNA at the Senior State Titles in Penrith. This team was coached by Gabby Donato (DBD) assisted by Leanne DiRosa (Mascot) with Tanya Coleman (Mascot) as manager. This team battled hard at SST eventually placing in 5th position amongst some very tough and talented competition. All the players chosen were from our 2026 Metro League teams or Premier League and performed outstandingly well, despite a couple of serious injuries during the competition.

Opens Team 2026:

Mojela Baker Khampan (DBD), Jemma Denman, Shawnee Driscoll (MRSL), Lily Ennis (RRNC), Eva Griffiths (DBD), Asha Hawkins (ML), Grace Hyder (ML), Ruby Marceau (ML), Giselle Purcell (RRNC), Lavinia Taukamo, Brianna Tier (DBD).

17's Representative Team 2026:

Chloe D'Astoli, April Foulcher, Nessa Ingrey, Sophie Kleindyk, Ayishah Mundine, Renae Richardson, Eva Ryall, Rafaella Schroder, Molly Stephens, Sosefina Taukamo and Andea Wilson.

METRO LEAGUE

Record number of trialists for RNA metro league teams

We had 85 players who trialled for the 2026 Metro League teams. With the broad depth of talent to choose from, RNA entered four teams into the competition – a tough ask being in Division 1, 2 and 3 where we were building on the success of the previous year and a team in the Development Series, which also afforded the opportunity for some club and 15-year representative players to experience the metro league competition.

Metro Team 1 included four UTS Randwick Sparks Training partners. This team was coached by Jo Williamson (RRNC/Sparks) with Melissa Dibb (RRNC) acting as manager. Despite the injury challenges, Team 1 was very competitive and finished 6th in Division 1 and should remain in Division 1 in 2027.

Metro Team 2 included with 1 Sparks training partner. This team was coached by Kura Pitman (RRNC) with Jenny Morrissey (KRB) as manager. They were very competitive in division 2 against teams ranked 1 in their own association. Team 2 finished 8th in Division 2 and should remain in Division 2 in 2027.

There were 12 players selected for Metro Team 3 who this year played in Division 3 against teams ranked 1 and 2 in their own association. After winning Division 4 in 2025, RNA were the only association to have teams in Division 1, 2 and 3. This was always going to be a challenge but the team faced this head on and under the leadership of Leeanne Michaelson (Maccabi) as coach and Tanya Sgouras (Coogee) and Simone D'Astoli (ML) as managers,

Metro Team 4 were in the Development Series again this year. This division is aimed at younger players between the age of 15-22 years and is a great division for those beginning their senior representative journey. This is the only team to allow temporary players to play, and this was used this to introduce some club players to representative netball and some of our 15-rep team to metro league. They finished strong, coming in 8th out of 19 teams in the Development division. Team 4 was coached by Nicole Deguara with manager Rachael Johnson.

Despite the challenges of injuries, our four Metro League teams showed fabulous growth and progression and whilst they may not have made finals this year there were many positives to be taken from the season. The introduction of strength and conditioning training with FRWRD gym alongside their normal training sessions proved to be very valuable

Proudly Team 3 were awarded the Netball NSW Spirit Award, as voted by their peers in Division 3, for their positive outlook and sportsmanship throughout the season. This team finished in 10th position and will likely play in Division 4 in 2027.

Metro 1 2026: Mojela Baker Khampan (DBD), Caitlin Fenner (ML), Asha Hawkins (ML), Leah Howarth (RRNC), Grace Hyder (ML), Erin Laska (ML), Renae Richardson (ML and Sparks TP), Mataiya Rossiter (ML and Sparks TP), Alicia Singh (DBD and Sparks TP), Brianna Tier (DBD), Jazaria Tongotongo (ML and Sparks TP) and Zara Williamson (ML).

Metro 2 2026: Georgia Bastock (ML), Chloe D'Astoli (ML), Shawnee Driscoll (MRSL), Lily Ennis (RRNC), Mila Hall (KRB), Paige Heussner (DBD), Sophie Kleindyk (ML), Ruby Marceau (ML and Sparks TP), Marli Mayne (MRSL), Danielle Spitty (RRNC), Isla Walter (ML) and Andea Wilson (MRSL).

Metro 3 2026:

Lara Drower (DBD), April Foulcher (ML), Annabel Hourigan (ML), Georgina Mildren (ML), Lashae Mundine (ML), Giselle Purcell (RRNC), Kenya Rees (ML), Madi Ring (ML), Anneka Sleer (ML), Mia Tindale (ML), Amy Walker (RRNC), Charlotte Woodward (RRNC).

Metro Team 4:

Lily Bird (RRNC), Freya Buckett (Mascot), Ellie Byrnes (ML), Jessica Funaki (ML), Adelaide Gilpin (DBD), Ella Jackson (RRNC), Ayishah Mundine (ML), Zoe Sharpe (ML), Kayla Sly (RRNC), Alayna Stevens Dellow (MRSL), Sosefina Taukamo (MRSL)

CLUBS 2026 ROUNDUP

CLUB OF THE YEAR

MASCOT

What a fantastic year we have had at Mascot Netball Club!, we proudly fielded 57 teams, including eight Net Set GO teams, our biggest year yet, with over 500 members. Our players achieved outstanding results, with 32 teams reaching the finals, 19 progressing to the Grand Finals and 10 celebrating a Grand Final victory! These achievements reflect the dedication, skill and determination of our players across all age groups and divisions. This success would not be possible without the commitment of our coaches, team managers, umpires, volunteers and families, whose ongoing support makes our club what it is today. A key focus this season was strengthening our coaching program and ensuring our coaches had the tools, resources and support needed to help our players thrive. We recognise that coaches play a vital role not only in developing skills and improving performance, but also in building confidence, encouraging teamwork and fostering a lifelong love of netball. Our umpiring program continued to be a priority, with a strong focus on development and support. We are incredibly proud of two umpires achieving their B badges and four achieving their C badges, recognising their dedication and commitment to the sport. As a volunteer-run club, delivering a season of this size requires enormous effort , coordination and teamwork behind the scenes. We are fortunate to have an amazing committee who have worked tirelessly throughout the year to ensure the smooth running of the club and provide the best possible experience for our members. We are incredibly proud of what Mascot Netball Club has achieved, both on and off the court

BONDI PHOENIX

Another difficult year behind the scenes for Bondi Phoenix as Lizzie (Club Secretary) had numerous family issues back in the UK keeping her abroad for most of the season. Despite this, everyone rallied round taking care of her teams and helping with admin tasks! A massive thank you to everyone who helped to share the load! On the court, the teams are going from strength to strength. With 17 teams entered into the competition, 8 made it into the Grand Final, 6 reached the Grand Final and 5 became Champions! We have also seen lots of girls step up to become umpires and assistant coaches, developing their netball journey and broadening their experience of our great game. It has been very impressive to see junior umpires develop their knowledge and confidence, in only a few months, so they were selected to umpire in the Finals Series. We would like to thank all the friends and family that came out to support the girls over the season!

BONDI UNITED

Bondi United fielded one team this year, competing in Under 14s Division 2. Although the results didn't always go their way, the players showed tremendous commitment, turning up each week ready to play and never giving up, no matter the score. Their resilience, teamwork and positive attitude were a credit to the club, and they came off the court every week still smiling. It has been wonderful to watch their skills and confidence grow throughout the season. A big thank you to our coach, parents and supporters. The team is excited to come back stronger and go further next season!

BOTANY THUNDER

2026 was a season of learning and development for our club. Our players, coaches and families embraced every challenge, building skills, confidence and resilience along the way. As any club grows and develops, there are often changes in direction, new goals and fresh ambitions for the future, and this year was no exception. These experiences have helped shape a clearer, stronger vision for the seasons ahead and strengthened the sense of community within our club. Thank you to everyone who generously contributed their time, energy and support throughout the year. We feel refreshed, ready and excited for the 2027 season!

Our Umpires Committee launched sessions for debutant umpires and revamped mentoring, with new umpires shadowing experienced mentors. Our annual Bake Sale raised over $3,000, thanks to our Social Committee. Of our 27 competitive teams, 12 reached finals, with 5 finalists, 7 grand finalists and 4 premierships. ROSEBAY MAGIC

This has been another exciting and successful season for Rose Bay Magic, with nine teams taking the court. We were particularly proud to welcome the first boy to represent our club, a special milestone. Two teams earned regrading to higher divisions, five progressed to the semi-finals, two reached the finals and one made it through to the Grand Final. We also celebrated two RNA Development Players, recognising the talent and commitment within our club. Five teams represented us at the St George Carnival, with two taking home division wins. We welcomed new coaches and umpires, building experience and opportunities for the future. We're incredibly proud of all our players, coaches, umpires, volunteers and families who continue to make Rose Bay Magic such a great club.

ROSEBAY SECONDARY

Rose Bay Secondary College had an outstanding season, with all four teams reaching the finals and our two Inters teams winning their Grand Finals in style. These results reflect the teamwork that defines our club. As an inclusive club welcoming all experience levels, we are incredibly proud of every player. We are also proud to be one of the few clubs fielding a mixed team and hope to see more opportunities for boys in 2027. As a small club and the only public school in the competition, we give a huge shout-out to our amazing coaches and umpires, all current students or alumni. Thanks also to the school P&C, staff and parents for supporting us – quietly behind the scenes and very vocally on the sidelines!

SAINTS

2026 was a challenging year for our club, and we could not have navigated it without the support of the RNA Executive and our Executive Committee, whose guidance and countless volunteer hours were invaluable. We fielded 21 teams and saw growth in both our Senior and NetSetGO ranks. While it was disappointing not to have a 13 Years team, we remain focused on rebuilding this age group. On the court, eight teams qualified for the semi-finals, six progressed to Grand Finals and four secured Premierships. We also strengthened our umpiring and coaching pathways, helping younger members develop and lead. Above all, we are grateful for our club community of players, families, volunteers, sponsors and supporters. We look forward to building on these foundations in 2027.

SEEKERS

Our senior team had an outstanding year, finishing an impressive 3rd for the season. This result is even more remarkable given the challenges the girls faced along the way, including injuries and busy Saturday commitments that often left us stretched for players. Despite this, the team showed tremendous resilience, teamwork and determination, always turning up ready to give their best. I am so proud of the girls and their dedication to Saturday netball, and of the way they supported one another throughout the season. Their effort and positive attitude have been a joy to watch. Bring on the 2027 season!!

SOUTH EASTERN

South Eastern had a great year, all team where graded according to their skill set and the kids had the best year. Some wins and some Losses. With 5 teams including a net set go team Who was undefeated in the second part of the draw, we have some great netballers coming through. We had some fabulous games and contests. Our first team. Inter 1, made it all the way to the grand final. Unfortunately, it wasn't our day but the girls came from not winning many games last year to being an amazing team full of guts and love for netball. We are already looking forward to next year.

UNSW

The UNSW Netball Club had a really solid 2026 season, with 135 players across 12 teams competing in every senior grade at RNA. The club was supported by 13 incredible coaches, most of whom were also players, and we are proud that around 50% of our members are UNSW students. Our teams trained on Wednesday nights at the UNSW Village Green and performed strongly, with plenty of UNSW vs UNSW rivalries. Six teams made finals, with two reaching the grand finals. Congrats to the Blues (A2) and our Premiers, the Omurais (B1)! Thank you to our umpires, supporters, committee and alumni, who helped run events including our welcome BBQ, trivia night, SSN Grand Final watch party and End of Season awards. Bring on next year!

HIGH ACHIEVERS

Celebrating Randwick Netball Association members selected in state and national pathway programmes

2026 has been an outstanding year for Randwick Netball Association members in the representative pathway. Our athletes, umpires and Randwick-linked players have earned selection in some of the most competitive programmes in the state, and we are incredibly proud of every one of them. These selections reflect not only their talent and hard work, but also the commitment of the coaches, umpire mentors, volunteers and families who support them week in, week out at Heffron Park.

Netball NSW selected 44 athletes for the 2026 Sydney Netball Academy from a field of more than 200 triallists across the Sydney catchment areas, including Randwick. The Academy is one of the first steps in the Netball NSW high-performance pathway, offering talented 15 and 16-year-olds a year of structured training, off-court education and competition as they work towards future 17U state selection. Randwick had 10 members selected across the athlete, training partner and umpire squads, one of the strongest representations of any association in the Academy.

Netball NSW Emerging Talent programs identified three worthy Randwick athletes for the 2026 program:
First Nations Emerging Talent: **Ayishah Mundine** and **Eva Ryall**
Metro Emerging Talent: **Sadie Eisenhauer**

The NSW First Nations State Team, the Waradas, brings together outstanding First Nations athletes from across the state. Twelve athletes were selected for the 2026 team, representing communities and associations from Newcastle and the Illawarra through to Dubbo and the Nambucca Valley, Congratulations to **Charlotte Ryan** (Dharawal), proudly representing Randwick in the 2026 Waradas

The QBE Swifts Academy provides a year-round daily training environment at Netball Central for the best home-grown talent in the Netball NSW pathway, under foundation Academy Head Coach Lenore Blades. In 2026 the Academy team won the Super Netball Reserves competition, defeating the Sunshine Coast Lightning Bolts 69–55 in the Grand Final on 14 June 2026. Congratulations to Brooke, Freddie, Nevaeh and Whitney at Swifts and Jamie at Giants, all proudly representing Randwick in the 2026 Academies.

PREMIER LEAGUE

Sparks continue to be a vital part of the RNA pathway, providing athletes with a complete and seamless elite netball pathway

The partnership between Randwick Netball Association and UTS was established in 2020 and over the last seven years UTS Randwick Sparks has become an important strategic partner within RNA's overall development model. Sparks plays an important role in the broader Association by providing an aspirational pathway for emerging players, sharing coaching expertise and creating opportunities for athlete, coaching and umpire development. The Premier League pathway is a distinctive feature of RNA's offering, connecting community netball with high-performance competition and creating opportunities for RNA players, coaches and officials to develop and progress.

The 2026 season was an outstanding season for Sparks, highlighted by the **U23s Premier League premiership**. Congratulations to Kaz Stonnill, Jo Williamson, Alice Hurley, the players and everyone involved in this achievement. The Opens also delivered a strong campaign, finishing fifth in a highly competitive ten-team competition and narrowly missing the finals by two wins. These results reflect the growing depth, quality and culture of the program, supported by our players, coaches, performance staff, volunteers and administration. The positive feedback from our player survey is further evidence of the strong environment being developed across the club.

A key focus for 2026 has been strengthening the connection between Premier League and RNA's junior, representative and Metro programs through the Sparks Academy, coaching clinics, pre-trial development and coach mentoring. In 2027, this pathway will be further enhanced through the introduction of the **Sparks Futures Team**, providing a development bridge between the Academy and U23s, alongside the proposed First Nations Academy. These initiatives are designed to identify, develop and prepare the next generation of talent while creating greater opportunities for RNA players to aspire to Premier League.

The UTS Randwick Sparks priorities have been to:

- Establish a clear development pathway into U23s and Opens.
- Strengthen alignment between the Sparks Academy, RNA junior, representative and Metro programs, including clearer opportunities for player and coaching progression.
- Expand coaching, umpiring and athlete development opportunities across the Association.
- Strengthen athlete wellbeing, performance support and the overall player experience.

The Randwick UTS Sparks looks forward to continuing to work together on the ideal structure, responsibilities and resourcing of the integrated pathway and establishing how RNA and Sparks will measure and report the benefits delivered across the Association and agreeing on a coordinated position ahead of anticipated Premier League changes from 2028 under Netball NSW's Vision 2028–2032. A shared approach will help ensure the interests of the UTS Randwick Sparks and RNA are represented constructively.

The RNA and UTS partnership provides a strong platform to build on the success of 2026. Our ambition is to continue developing a leading Premier League program that delivers benefits beyond the court, strengthens RNA's overall capability and inspires the next generation of netballers across the eastern suburbs. Continued alignment between RNA, UTS and Randwick City Council will be important to achieving this ambition.

A GRADE

TREASURERS REPORT

The Association recorded a surplus of $115,276 for the year ended 31 August 2026, compared with a deficit of $80,818 in 2025. This improvement of $196,094 reflects strong income growth and more modest increases in costs, leaving the Association in a stronger financial position.
Total income increased by 32.9% to $916,533. Membership and affiliation income rose by 34.1% to $545,338, remaining our largest revenue source and contributing almost 60% of total income. Sponsorship more than doubled, increasing from $68,500 to $162,773 and accounting for 17.8% of income.
Gross receipts increased by 17% to $109,815, while fundraising rose by 22.6% to $15,435. Income from representative squads and Metro League was slightly lower at $64,081. No subsidies were received, compared with $17,193 in the previous year, and interest income eased to $10,890.

Cost of sales increased by 5.3% to $479,719, substantially below the growth in income. Gross surplus rose to $436,814 from $234,072, and the gross margin improved from 33.9% to 47.7%.
Higher contractor, fitness and representative costs were partly offset by lower purchases and court hire charges.

Purchases fell by $20,281 to $138,159, while fitness and health expenditure rose by $19,556 to $49,973. Representative costs were $31,647, marginally up.
Court hire charges declined by $1,783 to $59,335 over the financial year.

Operating expenses increased by just 2.1% to $321,539. Savings included $16,391 in entertainment, $7,931 in repairs and maintenance, and $4,795 in printing and stationery. These savings helped offset higher accountancy, audit and bank fees, ('square' retailer processing fees), together with new grant related expenses, cleaning and rubbish removal costs, insurance and bad debts written off. Bad debts written off were in relations to overdue registration fees that had failed to be recovered over a 5 year period. Accountancy and audit fees totalled $27,835, while bank fees and charges reached $13,143.
Operating activities generated a net cash inflow of $149,544, compared with an outflow of $28,347 last year.

Net assets, representing members' funds, increased by 19.8% to $698,246. Total assets stood at $740,661.
.
The Association had no borrowings, and liabilities of $42,416. Current assets totalled $628,214, providing substantial coverage of these commitments.
During the year, a $200,000 term deposit was moved to Bendigo Bank and a transaction account was established. Further funds will be moved to the term deposit to increase interest returns.

The financial statements were audited by Grant Feitelberg of Hymans Feitelberg. The unmodified audit opinion confirms that the statements present a true and fair view of the Association's financial position and performance.
With annual income now exceeding $900,000, the committee will continue to focus on sound financial controls, timely monthly reconciliations and clear reporting to members. Maintaining healthy reserves will support the clubhouse, our programs and the continued growth of netball in Randwick.

I thank our sponsors and partners for their generous support, Grant Feitelberg for his work on the audit, and the President, Executive Committee, member clubs and volunteers for their contribution throughout the year
